Alice missing for a month – Met widen CCTV search

POLICE investigating the disappearance of Alice Gross are reviewing material from 300 CCTV cameras covering a six-mile radius, the Met has said.

The 14-year-old has been missing since 28 August, when she was filmed on CCTV walking along the Grand Union Canal.

Scotland Yard said 30 detectives were viewing the footage in the "ever-expanding search".

Detectives continue to search for convicted murderer Arnis Zalkalns, named as the main suspect in the case.

Mr Zalkalns, 41, was filmed cycling along the canal 15 minutes after Alice was seen and went missing from his Ealing home on 3 September.

The Latvian was convicted of his wife's murder in 1998 and served seven years in jail before moving to the UK in 2007.

Det Supt Carl Mehta said: "CCTV is clearly crucial in our investigation, but we still need the public's help and I want to hear from anyone who saw Alice during the afternoon of the Thursday she was last seen.

Alice's parents have urged the public to "please, please help us" in the search for their daughter.

Top medic's ebola fears

LIBERIA'S chief medical officer has put herself under quarantine for 21 days, after one of her assistants died from the deadly Ebola virus.

Bernice Dahn, a deputy health minister, said she had no symptoms but wanted to take every precaution.

The World Health Organisation (WHO) says more than 3,000 people have died from Ebola in West Africa.

Liberia has been the worst hit by the disease, accounting for 1,830 deaths – 150 in the last two days alone.

Health workers have been particularly vulnerable to the virus, which is spread by the infected bodily fluids of patients.

Health organisations recommend isolating people for at least 21 days, the maximum incubation period.

RAF jets join blitz on ISIS

The RAF yesterday joined the battle against ISIS as Tornado bombers took to the skies over Iraq.

Two heavily-armed aircraft, plus a refuelling aircraft, took off from their base in Cyprus and screamed towards Iraq at close to the speed of sound.

The Ministry of Defence said in a statement: "We can confirm that, following parliamentary approval given yesterday, RAF Tornados continue to fly over Iraq and are now ready to be used in an attack role as and when appropriate targets are identified."

The two Tornados were armed with Paveway IV laser guided bombs, capable of taking out a small compound. Each aircraft can carry a maximum of five Paveway bombs.

Prime Minister David Cameron described UK involvement as critical to security on home soil.

CAM TURNS AIR BLUE AS 2ND TORY DEFECTS TO UKIP

By SIMON DEAN
Political Editor

DAVID Cameron "spluttered out his tea" and "turned the air blue" when one of his MPs defected to UKIP yesterday.

The lid came off the best-kept secret in British politics at the UKIP conference in Doncaster yesterday when Rochester and Strood MP Mark Reckless announced he was joining Nigel Farage's party.

Although Mr Reckless is a well-known Eurosceptic, few outside a tiny circle of UKIP lieutenants knew he was preparing to jump the Tory ship.

The move comes just weeks after Clacton MP Douglas Carswell defected from the Conservatives to join UKIP.

David Cameron, who was directing the war against ISIS in Downing Street's secret underground bomb-proof war bunker was first speechless with fury, then "incontinent with swear words".

Female RAF staff, who had been plotting the positions of warplanes on a vast map of Iraq, were ushered out of the war room as the PM turned the air blue.

Meanwhile in Doncaster, conference delegates started to spontaneously chant "UKIP, UKIP" when Mr Reckless announced his decision, which he said was not easy.

Commenting on his decision, Mr Reckless said he had not taken it lightly.

He claimed the Tory leadership was "part of the problem that is holding our country back".

Appearing on stage to a rapturous reception at the conference, Mr Reckless said voters felt "ripped off and lied to".

He won his seat in 2010 with 23,604 votes – 49% of the vote. Labour's Teresa Murray came second, with 13,651.

Reaction online was swift. Dishy-yet-angry-looking former Labour minister Caroline Flint tweeted: "One more Tory boy joins the fold. UKIP – more Tory than the Tories."

Piers Morgan reacted to the news by tweeting: "I have nearly 5 times as many followers as @SpursOfficial."

IN HAPPIER TIMES: Mark Reckless with ex-boss David Cameron

Megan: I'll still strip for sex scenes

HOLLYWOOD scorcher Megan Fox has reassured her fans, saying, "I'll still do SEX SCENES – even though I'm a mum!"

The brunette babe has two young sons with jammy hubby Brian Austin Green.

But the 28-year-old says being a parent doesn't mean she has to stop taking her kit off.

Megan – who stripped for a lesbo sex scene in 2009's *Jennifer's Body* and had her norks groped in last year's *This is 40* – said: "I do love being a mum so much I'm not going to compromise myself and do something I'm not sure about or not passionate about.

"But I don't think there's anything contradictory about my being a parent.

"I don't think you can't do nudity any more, or can't do sex scenes, or can't be in violent films.

"But I can't move my kids to Bulgaria or Peru."

Meanwhile Megan says she loves being a movie sex symbol.

She added: "I want my sons to grow up and know sexiness doesn't mean you're stupid."

Fans switch off X Factor

WORRIED *X Factor* bosses faced fresh woe today after suffering an embarrassing ratings plunge.

And, worse still for Simon Cowell, the ITV show was TROUNCED in its war with BBC rival *Strictly Come Dancing*.

The feuding programmes went head to head on Friday evening as *X Factor* began a controversial three-day long stint, which ends tonight.

The *X Factor* garnered just 5.29 million viewers – a good four MILLION lower than normally tune in to watch deluded wannabe crooners sobbing when told they're too shite to sing.

Meanwhile over on the Beeb, *Strictly* was enjoying a peak of 6.53 million audience members, as busty babes like Caroline Flack and Pixie Lott bounced around in bum-flashing outfits.

After PM blabs about private chat with Queen...

CAM ON, WHAT'S HE REALLY SAYING?

DAVID Cameron last week apologised to Buckingham Palace after he was caught boasting that the Queen "purred down the line" when he called to tell her Scotland had rejected independence.

The Prime Minister was said to be "deeply embarrassed" after he was caught on camera discussing her reaction to the referendum with Yank media mogul Michael Bloomberg.

The incident is shocking because – by long-established convention – conversations between the monarch and the PM remain STRICTLY confidential.

Now that Cam has been outed as a blabbermouth, *Sunday Sport* engaged a team of top lip readers to find out what our leader was REALLY saying to foreign dignitaries and "ordinary members of the public".

The results are really quite shocking...

WE SNORTED COKE WITH STEPHEN FRY IN THIS PUBLIC SHITHOUSE

FUN-LOVING: Geoff and Liz Barnes enjoy booze and shithouse drugs

CONFESSION: Fry admits to widespread drug use, perhaps even in this municipal shit stop

A HARD-PARTYING couple last night claimed to have snorted killer death drug COCAINE in a public lavvy cubicle with TV brainbox STEPHEN FRY!

By SIMON DEAN
simon@sundaysport.co.uk

Geoff and Liz Barnes of Bolton, Lancs, were visiting London when they popped into the municipal shithouse for a "cheeky livener".

But as Geoff chopped two lines of the nose-rotting narcotic, they were interrupted by *Blackadder* star and *QI* cleverclogs Fry.

Geoff, now 56, said: "Me and Liz had been out on the bladder all day and were flagging a bit so decided to have some Charlie to keep our spirits up ahead of the evening session.

"We squeezed into a cubicle in the gents and were just about to do a line when we heard this deep voice booming *'Mwaaaah! Do I detect the unmistakable clatter of the Devil's dandruff being splintered into delectable dust?'*

"We thought it was the Dibble at first but then that bloke out of *A Bit of Fry and Laurie* – the fatter one – put his head over the door and said 'Any chance of a tiny snoot?'

"We were happy to share as he was off the telly and that. He did a line without blinking and roared *'Maaaaaarvellous, darlings! A billion little thank-yous and many more sloppy kisses. Hmmm!'*

"With that, he was gone. We were stunned that somebody so prominent in show-business took cocaine. It opened our eyes to life in London, I can tell you."

Geoff reckons the meeting took place in 1999, when famed Norwich City fan Fry was at the depths of his cocaine addiction.

Last week Fry revealed he once took cocaine at posh Buckingham Palace.

Writing about his 15-year addiction to the Class A drug, the comedian disclosed that he also snorted lashings of bugle in the House of Lords, the House of Commons and BBC Television Centre – but Fry, 57, failed to elaborate further.

The claims come in a new autobiography, *More Fool Me*, published on Thursday.

Fry writes: "I take this opportunity to apologise, to the owners, managers or representatives of the noble and ignoble premises and to the hundreds of private homes, offices, car dashboards, tables, mantelpieces and available polished surfaces that could so easily have been added to this list of shame."

Cake perv had cream horn for nun

AN ODDBALL with a cake fetish asked women if he could watch them scoff cream horns while he masturbated, a court heard.

Vincent Corbett, 67, offered the women £20 and "all the cream cakes they could eat" if they allowed him to indulge his fetish.

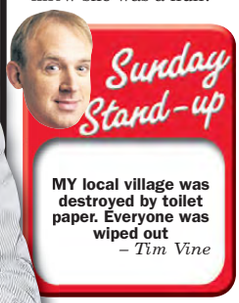
Magistrates heard that "a good many" women took up the retired solder technician's offer but Corbett made a hell of a mistake when he approached an off-duty NUN.

The shocked sister reported Corbett, of Manchester, to police and he was arrested on suspicion of indecent conduct.

In court on Thursday he admitted the lesser public order offence of causing alarm or distress.

He was fined £100 and ordered to pay £60 costs with a £20 victim surcharge. He was also banned from carrying unwrapped cream cakes in a public place.

Outside court, Corbett told newsmen: "How was I supposed to know she was a nun?"



Cash demands from EU jobless

BRITAIN has been told to pay more than £10 million in unemployment benefit to eastern European migrants who have left Britain and now cannot find a job back home.

Poland, the Czech Republic and Slovakia have demanded that Iain Duncan Smith's department funds their jobless citizens because they once worked and paid national insurance in the UK.

His department has refused because the migrants had not worked in the UK long enough to claim, but the three countries have threatened to issue a diplomatic protest.

Czech labour minister Michaela Marksova-Tominova said Britain owed her country £3million in these benefits under European Union rules.

Britain has already paid £800,000 under these rules.

SUNDAY Sport likes to remain above the squabbles and spats which often divide our tired old Fleet Street rivals.

We serve our readers, not the petty rivalries of editors or proprietors.

But we are today forced to join a debate after our very integrity was questioned by The Guardian.

And the heated issue is the spelling of the word "BELLEND".

This left-wing, loss-making house journal of Britain's chattering classes recently updated its style guide – the manual which tells its journalists how to spell certain oft-misspelt words.

In defiance of common sense and common decency Guardian bigwigs have decreed their galley slaves spell out bellend as "bell-end".

They may find this bohemian departure from orthodoxy "challenging" but it is a direct assault on the English language.

Do not forget, the teachers of Britain suckle at the teat of The Guardian like hungry puppies.

This misspelling of bellend will be forced into the easily-moulded minds of our nation's schoolchildren.

The Guardian. Wrong about everything. Always.

ISIS monkey nuts

WE always knew, what with their beheading antics, that the lunatic Islamo-fascists of terror group ISIS were a bad lot.

But their descent into depravity is now complete. ISIS are training MONKEYS to fight their battles.

No civilised army has ever forced apes to fight their wars. No generalissimo with a shred of humanity would train innocent primates in the dark arts of killing.

This latest move has proved that ISIS leaders are beyond the pale. You cannot negotiate with a foe like this.

Strip club confession from Iggy

CONTROVERSIAL pop babe Iggy Azalea has confessed her kinky STRIP CLUB secret.

The Australian says she used to frequent the establishments of Sydney's red light district when she was a wayward teen.

And she'd even end up bonking older men.

The 24-year-old blurted-out: "I got a fake ID. I'd go out, get hammered off my face in nightclubs because I thought that made me an adult, meet older guys who thought I was older, and go f**k them.

"I'd do that all the time. Hitchhiking was something I would do all the time as a kid.

"I used to go to the red light district called Kings Cross and go to strip clubs."

"We would hang out there so late that the train would stop working, and then we would walk back into the city on the sides of the road."

The blonde is currently attempting to sue her ex-boyfriend after he claimed to possess a kinky sex tape showing them romping, which he plans to release to paying punters.

Fish thieves were ones who got away

THREE fishermen have been fined more than £2,000 after being caught with a fishtank full of CARP in the back of their van.

The men, believed to be from Romania, were caught by a water bailiff as they filled up the tank with carp – a delicacy in eastern Europe.

The trio were caught at the A12 Cuton Lakes, a series of sport fishing lakes, in Chelmsford, Essex, on May 17.

It is believed the 10 carp – traditionally eaten at Christmas by eastern Europeans – were worth around £4,000.

Fishing lake bosses can pay thousands for 'big carp' in bid to attract sport fishermen, who return the fish to the lake after hooking them.

The men were convicted in their absence. Their fishing gear has been confiscated and the fish were all returned to the lakes unharmed.

Most of the world's eyes will be on the canals of historic Venice, where Hollywood heart-throb George Clooney is expected to travel in a flotilla of gondolas with new British wife Amal Alamuddin at his side.

Jobless

The marriage of *Gravity* star Clooney, 56, and top human rights lawyer Amal, 36, is seen by many around the world as the equivalent of a royal wedding.

But while no expense is being spared in Italy, spare a thought for jobless bride Moira Bainbridge, 32.

She got married in Hartlepool yesterday to ex-con Barry Windass, 37, in a dress she bought from a PAWN SHOP.

Groom and his best man, Billy Cracken, 40, were wearing electronic tags and the reception was held in a pub with a flat roof, where guests toasted them with Gold Label Barley Wine.

Moira's step-brother Jimmy "The Drink" Gordon, 23, said: "They'll be very happy together – until our Barry's banged up again, like."

'Fast Show' councillor's foot in mouth

A DEPUTY mayor was in a sexism row after he said running a sleepy market town was just like a handling a beautiful woman.

Tory councillor David Atwell, 75, caused outrage after he compared a town council to an attractive lady – just like Fast Show character Swiss Toni (pictured).

He told a meeting the small council who run Monmouth, South Wales, was "better to handle" and providing "an excellent service".

Cllr Atwell made the remark during a debate at the Civic Centre in Newport – and it was met with laughter.

He said: "Small is extremely beautiful. It's just like a woman – better to handle and provides an excellent service."

Cllr Atwell was discussing whether Monmouthshire county council should be merged with Newport Council – a motion which was rejected by the councillors.

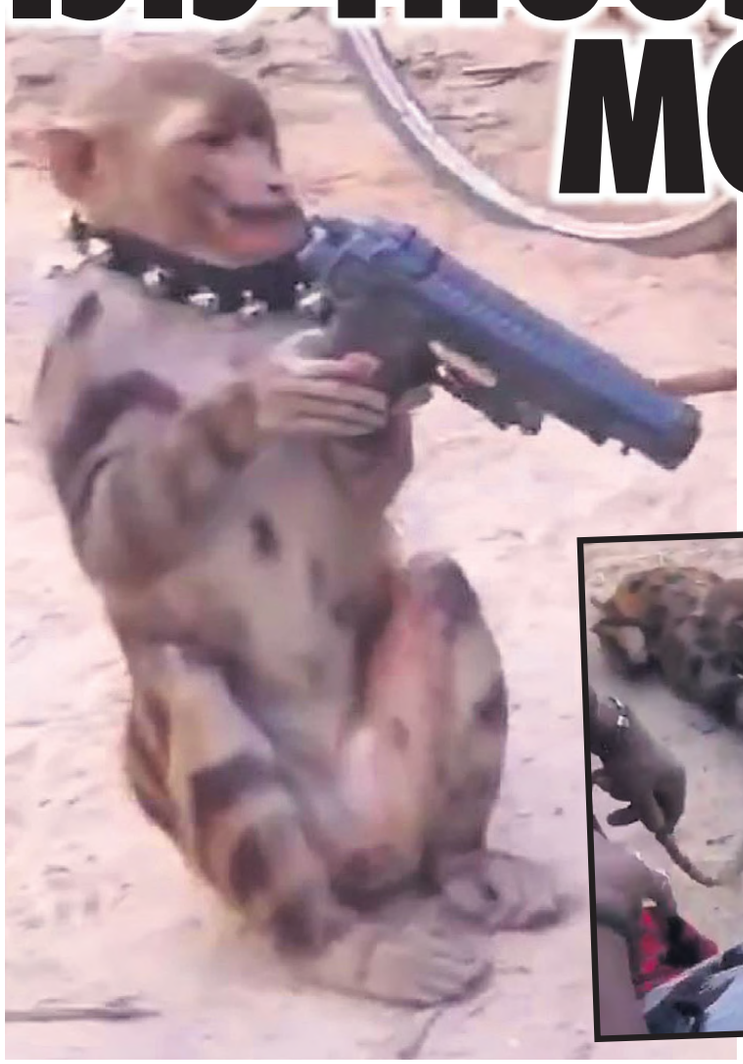
ISIS THUGS TRAIN MONKEYS TO KILL

Islamist monsters use apes for attacks on West



TRIGGER HAPPY: Monkeys are trained to master modern firearms using snakes for target practice

YOU SICKOS! The news led to Obama launching airstrikes

By BRAD CHADWICK
news@sundaysport.co.uk

COLD-HEARTED Islamist fanatics from loon army ISIS are training innocent little MONKEYS to wage jihad against their foes.

American spy satellites monitoring ISIS training camps in northern Iraq snapped what analysts first thought were child soldiers shooting at targets.

But closer examination of the satellite images revealed MONKEYS were pulling the triggers on powerful machine guns.

It's believed that President Obama "felt physically sick" when Pentagon chiefs told him monkeys were being used as slave soldiers.

Bloodbath

A White House insider said: "If the President had any doubt about launching air strikes against ISIS, those doubts disappeared when he heard about those poor little monkeys being turned into dead-eyed killers.

"ISIS will clearly stoop to anything to attain their goal of a worldwide caliphate ruled by a strict interpretation of medieval Islam… the dirty bastards." ISIS are following the lead of their fellow head-choppers al-Qaeda.

In 2010, *Sunday Sport* reported Osama Bin Laden's gaggle of unwashed halfwits were training monkeys troops.

Macaques and baboons make the best fighters, as they're naturally aggressive and highly intelligent.

An abortive attempt to train chimpanzees to be soldiers in Afghanistan ended in a bloodbath in 2009.

The bright-but-crafty apes turned on their human superior officers in a primate mutiny and escaped to form a *Planet of the Apes*-style armed monkey colony in the Afghan mountains.

Last night leading monkey experts called for a UN ban on their use in warfare.

Dr Grant Yallom of York and District Primate Society raged: "An international ban probably won't deter these goat-bummers from using monkeys as weapons.

"But it would send out a message: monkeys should be masturbating in trees and eating bananas – not firing automatic weaponry."

Machete man jailed for life

A NUTTER with two rows of horns implanted into his face and a '666' tattoo has been convicted of murdering three men and chopping up their bodies with a machete.

Caius Veiovis screamed at the jury in Springfield, Massachusetts: "I'll see you all in hell – every f**king one of you. I'll see you all in hell."

Veiovis also was convicted of three counts of kidnapping and three counts of intimidation of a witness.

He faces a mandatory sentence of life in prison with no chance for parole following his first-degree murder convictions.

Veiovis served almost seven-and-a-half years in prison in Maine in 1999.

Then known as Roy Gutfinski, he and his 16-year-old girlfriend cut a teenager's back with a razor and kissed as they licked the blood.

At the time he claimed to be a vampire and a Satan worshipper.

BLOG BROTHER

Desperate Scousewives star & celeb blogger Jaiden Micheal writes for Sunday Sport

I'M still frustrated by U2 downloading their album onto my iPhone, without permission.

Yeah, it happened weeks ago, but I still feel like I've been kind of impregnated by Timmy Mallet without my consent.

How can Apple just allow U2 access to our phones? There's a reason they gave the album away for free – it's about as entertaining as Rylan singing *Nessun Dorma*!

DID anyone see the woman with three boobs?

When I read the headline on Twitter, I just thought glamour girl Katie Price had decided to do a cheap and tacky photoshoot with her hubbies!

But seriously…why would a woman want three breasts anyway?

I've got two – and they're bad enough! I can't sleep on my front without being crippled with pain.

I heard the *Celebrity Big Brother* casting team have already contacted the lady in question regarding the next series, in January.

Here's an idea for them – paint the faces of Tulisa, Maria Fowler and Katie Hopkins on the girl's chest.

It would be like Buy One, Get Three Free!

Nice way to cut down on costs…

MY two fave shows on telly have totally lost me as a viewer this week.

First up, *This Morning*.

I love eating my scrambled egg and drinking my green tea watching silver fox Phil and his sidekick, Holly Willoughby, talking tripe and bringing on OAP hottie Denise!

But that all ended last week when I switched on my set and choked on my egg when Amanda Holden was sat say there, dressed as mutton, talking crap.

Why?

This woman is the most annoying, talentless creature this side of the Atlantic.

I don't know how the hell she gets these jobs!

There's a ruck of presenters who could have done this job. And much better too.

Get rid of Amanda so I can enjoy my eggs in peace!

***The Voice* was my favourite talent show – until Rita Ora was announced as a new coach.**

She's a stuck-up, 20-odd-year-old who's only been "famous" for like nine minutes and now trying to replace a legend like Kylie.

It doesn't make sense.

How can Rita coach other people when she isn't that talented herself?

I can cope with Ricky Wilson being as irritating as a bad dose of herpes but I think watching him AND Rita will tip me over the edge.

She is another prime example of it's not what you know but who's desperate for a blow…

HITLER'S SECRET GRANDSON IS A SWINGER

GRANDPA: Hitler waves at Nazi pals

SEX WIVES: Carol, Sue and Andrew, too

CENSORED

Andy lives in Kettering with two 'sex wives'

By SIMON DEAN simon@sundaysport.co.uk

A MAN claiming to be the secret grandson of HITLER lives in Kettering and is a leading light of his local SWINGING scene, we can reveal.

Randy Andrew Forbes is the spitting image of the late Nazi mass-murderer, though he insists he shares none of his grandfather's more robust views about the racial destiny of humanity.

Although Hitler, who died in 1945 aged 56, did not officially have any offspring, plumber Andy claims the uni-bollocked dictator fathered a son in 1944.

According to Andy, the son was smuggled to Britain, hidden "like Luke Skywalker" until he grew up and became a train driver, living in Crewe, Cheshire.

Brendan Forbes was secretary of the Crewe railwaymen's pool league and married Andy's mum in 1969.

Orgy

Andrew said: "My dad found out in the mid sixties that he was the son of Adolf Hitler. But he never mentioned it to me while I was growing up.

"Dad was nothing like Hitler. He loved that Barbra Streisand and that little Sammy Davis Jr. He obviously worried about the effect the truth may have on me because he never told me about my grandfather until he was on his death bed in 1990."

With the heavy burden of history weighing on his slight shoulders, Andrew – by now living in Kettering – lost himself in an orgy of carnality.

He said: "Although I had nothing to do with the death camps and that, I was a bit worried that I carried those nasty Hitler genes.

"It was not something I wanted to dwell on, so I bought some contact mags and began shagging my way across Northamptonshire."

Eventually, Andrew settled down with two partners he calls "sex wives". Both Carol and Sue know Andy's dark secret but don't seem to mind.

They host weekly sex parties in the three-bedroom semi they share.

Andy chortled: "They are both such drunkards, I doubt they even understood what I was telling them when I said Hitler was my granddad. Bless!"

Last night historian Dr Barnaby Hunter said: "The idea that Adolf Hitler secretly had offspring and his grandson is living in Kettering is preposterous."

Tranny pays for £60k bum by hooking!

A TRANNY with the world's biggest ARSE has confessed she is high-class HOOKER!

Tatiana Williams, 42, claims to have spent an eye-watering £60,000 on silicone injections.

And she recently admitted to living off the "donations of generous men" to support her habit for cosmetic surgery, which has left her with bulging 60-INCH buttocks.

She said: "Whatever it took to get that process done, I was willing to do that, because the only goal was becoming the woman that I dreamed of being.

"If nice gentlemen friends asked me to do certain things for them, then I would meet them and they would help me get money towards the procedures."

Tatiana – born Cory Williams – confessed that her bum has more than DOUBLED in size, from just 25 ins, adding: "It's hard to say just how many injections I had – after a while you start to lose count."

REBRANDING EXERCISE

A 57-YEAR-OLD plumber is considering changing his name – because he's called RUSSELL BRAND!

Fed-up Russ gets hoots and catcalls while he's working in his home town of Congleton, Cheshire.

He said: "I had to take my name off the side of the van because people kept accusing me of shagging their granddaughters. If I never hear the name Russell Brand again, it will be too f***ing soon!"

GRACIE'S PASSION FOR FLASHIN'!

By JUSTIN DUNN
justin@sundaysport.co.uk

GORGEOUS Gracie Lewis is an exhibitionist who loves stripping NAKED!

The Manchester minx, 25, is almost ALWAYS in the buff when she's wandering around her swanky apartment.

But her flashing frolics are not just restricted to indoors – she likes peeling off in public, too!

The 32E babe said: "Once I was doing some naked aerobic exercises in the mirror when a packed double decker came past.

"You should have seen the look on some of the passengers' faces!

"I'd love to go to a nude beach, too. But not somewhere like Skegness – I'd be scared of just seeing OAPs with saggy bums!"

Telly babes get 'em Kraut more on German TV

JAMMY Germans enjoy the most screen nudity, says a new survey.

Nakedness boffins analysed TV shows and films screened across the world and studied how much tits and ass viewers got to ogle.

And our Kraut chums gawp at the most amount of barely-clad babes.

Australia came second in the list, followed by India and Brazil.

Meanwhile the US and the UK could only come in joint-fifth place, as we lag behind in the boobs and bottoms league.

The study – called Gender Bias Without Borders – was carried out by the Geena Davis institute in Los Angeles.

They reckon it's a BAD thing, as females are seen as sex objects.

But one film lover said: "Forget Benidorm – I'm off to Berlin next year, and I'm going to lock myself in my hotel room with a huge box of Kleenex!"

Tesco embarrassed over 'terror' tellies

UNDER-FIRE Tesco bosses have been left red-faced after launching a new sales promotion... of 'ISIS' branded TVs!

The unfortunately-named sets share the same moniker as evil terror group 'Islamic State of Iraq and Syria'.

And despite the accidental link to beheadings and kidnappings, Tesco say they have no plans to remove the TVs.

A spokesman told *Sunday Sport* that they'd had 'no complaints' so far, adding: "The promotion will continue."

And it also caps a nightmare week for Tesco after they were forced to admit they had made a 'minor accounting error' by overstating its profits by a whopping £250m.

The ISIS brand is owned by Toshiba, and is named after an Egyptian goddess.

MUFF HUNTER FINGERED IN LESBO WEDDING SCAM

CASH-STRAPPED: Cops want to speak to Gianni

By SIMON DEAN
simon@sundaysport.co.uk

A LESBO stalker has been implicated in a bogus gay wedding scam which allows immigrants to avoid border checks.

Last week, our sister paper, *Midweek Sport*, reported that illegal immigrants often opt for gay weddings. Border officials are reluctant to question homosexual unions, as they fear accusations of prejudice.

Now we've uncovered notorious 34-year-old Italian Giovanna Gianni is "deeply implicated" in the scandal.

SCANDAL OF SHAM LESBIAN WEDDINGS
Gangs rake in £10,000 a time
CRIMINAL gangs are offering bogus lesbian marriages for £10,000 to get around immigration checks on sham weddings.

Nicknamed the Muff Hunter, she first hit the headlines thanks to her pursuit of murder suspect Amanda Knox.

It's believed Gianni's pursuit of Knox – which led to her being jailed several times – left her close to bankruptcy and DESPERATE for funds.

An immigration source told us: "We are keen to speak to Miss Gianni in relation to several disputed marriages. We have a European Arrest Warrant for her.

"She was tempted by the large fees on offer in return for taking part in this scam."

Gianni is described as being "very large" and "strikingly ugly".

Sheen is Master of weird Sex scenes!

HOLLYWOOD star Michael Sheen has lifted the lid on his bonking scenes – saying they're always really WEIRD!

The 45-year-old Welsh actor revealed: "I've never done a conventional sex scene.

"I've usually got chocolate powder all over my face or I'm barking like a dog or hanging off a cliff.

"In my first one I had to ride Stephen Fry like a bucking bronco!"

Sheen starred alongside Stephen in 1997 BBC drama *Wilde*, about the life of notoriously gay writer Oscar Wilde.

But his raunchy roles don't seem to have gone away, as he's still getting to grips with co-stars in front of the camera – including current Channel 4 hit, *Masters of Sex*.

Sex on bodies killer flopped

A COUPLE accused of murdering two men tried to have sex on top of the corpses – but failed when the male suspect couldn't get an erection.

Joshua Miner, 26, and Alisa Massaro, 20, are suspected of strangling 22-year-olds Eric Glover and Terrance Rankins.

In a taped interview played to a courtroom Miner revealed how he and Massaro struggled to bonk on the cadavers as it felt a bit "weird".

Miner said: "We both couldn't get off, plus it was weird."

Miner is set to go on trial for the 2013 murders of Glover and Rankins next week in Chicago.

His girlfriend Massaro, 20, has already pleaded guilty to robbery and concealing a homicidal death in exchange for a 10-year-prison sentence.

EVIL...EVEN IN CHILDHOOD

CANNIBAL NURSE BOILED MY TINY TEARS

Weirdo kidnapped neighbour's doll

CAGED: Bolinger was jailed for nine years last week

By SIMON DEAN
simon@sundaysport.co.uk

A CHILDHOOD neighbour of kinky cannibal fetishist Dale Bolinger last night revealed that the oddball kidnapped and BOILED her toy doll.

Bolinger, 58, was caged for nine years last week after he was convicted of grooming and trying to lure a 14-year-old girl called "Eva" from Germany to England as he wanted to kill and eat her.

The sensational trial gripped Britain earlier this year, especially as Bolinger – a nurse – seemed such an outwardly respectable member of the community.

But his mind had been warped years before, when his developing youthful mind had made the bizarre connection between sexuality and CANNIBALISM.

And long before he attempted to lure the teen to become his lunch, Bolinger had started to act out his deranged fantasies.

Freak

Dorothy Harper remembers him as a "moody" teenager, who lived with his parents next door to her family in Canterbury, Kent.

She said: "He was a few years older than me so we didn't really mix. I remember one incident, though.

"I had a Tiny Tears doll. It was my pride and joy. One day it went missing. I didn't know at the time – my mother told me years afterwards – but Dale had pinched the doll and BOILED her up in a pot on a camp stove in his back garden.

"His mother caught him and thrashed him. I believe my father gave him a clip around the ear as well. The big freak!"

Dorothy, now 52, added: "When I read about what Bolinger had been up to on those bizarre cannibal sex sites, my blood ran COLD."

The court was told during Bolinger's trial that the day before he was due to meet "Eva" the oddball bought an AXE from Homebase.

During an internet chat he had told her: "Got the axe, you ready to get that train?" And he added: "The idea of making love and then eating you is a very great turn-on."

The girl – whose true identity has never been discovered – did not turn up at Ashford International station to meet Bolinger, as arranged.

Months later he was arrested by Kent Police following a tip off from the FBI who were investigating an alleged cannibal in the US.

Despite the chilling evidence that emerged at his trial, there is no evidence that Bolinger actually killed or ate anyone.

FANTASY: Dorothy as she is today and (*below*) with the doll that went 'missing'

AS BOFFINS DECLA

RE BEAUTY HAS PERFECT BREASTS...

KELLY BROOK'S BREAST BITS!

By JOHN FITZPATRICK
fitzy@sundaysport.co.uk

SCIENCE has finally caught-up with what *Sunday Sport* has known for YEARS – Kelly Brook's boobs are PERFECT.

Boob experts last week revealed that, according to mathematical formulae, the size and shape of the Brit model's breasts are IDEAL.

It's all to do with something called the "nipple meridian" – a magical line that runs directly across a woman's chapel hat pegs.

Nork boffins reckon 45 per cent of the funbag should be above this line and a generous 55% below it.

But professors are preaching to the converted, as *Sunday Sport* readers have ALWAYS known how perfect the ex *Big Breakfast* host's top rack was.

The 34-year-old, from Rochester, Kent, has whipped her top off for top Hollywood roles, including 2010's *Piranha 3D* and *Survival Island* in 2004.

Even Kelly loves her knockers, saying: "They are a very prominent 30FF and they have defined my life over the past 20 years.

"They've brought fun, opportunity, attention and drama."

SHAPE EXPECTATIONS
Scientists say the perfect boob is all to do with the 'nipple meridian' – the amount of breast above and below the areola – and guess what...

Fountain man nicked over mayo wash!

A STICKY weirdo has been arrested after washing himself with MAYONNAISE in an outdoor fountain.

Jorge Arturo Perez, 23 (*above*), was spotted "enjoying himself" with the salad dressing before his fun attracted public complaints.

Cops at the scene said he was "breathing hard" and "soaking wet" when he was nicked for breaching laws prohibiting folk from taking a dip in city centre water features.

One onlooker in Oklahoma City said: "He must have thought he was in a shampoo commercial."

Perez was locked up charged with "violation of the city ordinance".

DOWNTON BABE IS ABBEY TO SHOW HER BOOBS

By NEIL GOODWIN
neil@sundaysport.co.uk

BOLLOCKS to the fire that raged through *Downton Abbey* last week!

It's sexy actress Anna Chancellor who is far more SMOKING HOT!

The perky brunette appeared in last week's episode, playing sex-mad posho Lady Anstruther.

Her character set the cat amongst the stuffy pigeons in the swanky country pile after being caught bonking simple footman Jimmy Kent, aka actor Ed Speleers.

Arousing

And Anna, 49, clearly can't resist a saucy screen role – as these arousing naked grabs of her in action prove.

The thesp, who shot to fame as Duckface in 1994 Brit movie *Four Weddings and a Funeral*, got her kit off in ITV police drama *The Vice*.

And her kinky NUDE scenes had fans salivating.

Meanwhile Anna says she's never been shy about being in the buff, explaining how she once worked as a NUDE model.

The Brit beauty giggled: "I was very badly behaved and earned a living as a naked artist's model when I should have been at college.

"I took my clothes off, naturally, because I thought I looked better naked."

Well, we'd have to agree with you there, luv!

Millie won't lick balls on TV for dosh

MADE In Chelsea babe Millie Mackintosh has told fans she will not lick BOLLOCKS!

The posh blonde says she'd NEVER go on telly show *I'm a Celebrity…Get Me Out Of Here!* where contestants often end up snacking kangaroo knackers for tasks.

The 25-year-old, who recently appeared on BBC's *Master Chef*, said: "I don't want to go and do another reality show.

"I've turned down *I'm A Celebrity…Get Me Out Of Here!* and *Celebrity Big Brother*.

"I wouldn't do it. I don't care how much I need to buy stuff for my house or pay the tax bill.

"But I do feel incredibly lucky and also grateful to *Made in Chelsea* for giving me this chance."

Millie is married to Brit rapper Professor Green – aka Stephen Manderson.

China online porn purge

CHINESE officials have launched a major attack against online porn.

The government-led Cyberspace Administration has shut down 1.8 million social network accounts advertising hardcore porn or prostitution since April.

The huge campaign targets microblogs such as Twitter and Facebook, as well as instant messaging apps used to spread explicit content.

A spokesperson said: "We consider porn to be detrimental to social order."

FIX-ROW ORLA: 'SMEAR ME IN VASELINE'

X FACTOR EXCLUSIVE

THE babe at the centre of the *X Factor* 'fix' row likes to get NAKED and LUBED UP in her bedroom, we can exclusively reveal.

Gorgeous Irish babe Orla Keogh found herself on the ITV's show's scrap heap in controversial circumstances on Friday night.

Judge Cheryl Cole had originally put her through to next stage of the comp, only to change her mind and reinstate posh totty Chloe-Jasmine Whichello instead.

But host Simon Cowell, 54, will be kicking himself when he learns Orla's naughty secret.

Her list of 'likes' on Facebook includes: "Covering myself in Vaseline and crying naked in the dark."

Meanwhile she's also a part-time model who loves posing for risqué selfies.

Writing on her Twitter page yesterday Dubliner Orla, 20, appeared content with her fate.

She said: "Woke up in the most incredible mood, your lovely messages are enough to keep me happy for the next year most definitely. Thank you."

Meanwhile fans are calling for her to be shunted back into the comp on a 'wildcard'.

One said: "I hope there is a wild card this year and they bring @OrlaKeogh back!

"I feel that it was a big mistake letting that one go #XFactor."

What time are you knocking one off?

POLICE launched an investigation after a taxi driver was caught masturbating while watching porn during morning rush hour.

Cops are hoping to charge the driver with public indecency after an officer saw the man parked illegally in a loading bay and went to move him on.

He was shocked to see the cabman, who is from Nigeria, with an iPhone in his left hand watching graphic pornography while pleasuring himself with his free hand outside post Trinity College, Dublin.

He made no attempt to cover himself and the officer ordered him to put down the phone and pull up his pants.

He then cautioned the man and took him to a police station where he was interviewed about the incident which happened at 9am.

Pedestrians and other motorists would have passed the man while he was tugging.

He did not deny the incident and police have recommended that he be charged with public indecency.

It is also understood that his taxi licence may be reviewed to see if he is of sufficient character to drive members of the public.

Is this the best Miley snap ever?

GRUMBLE fans have been mopping their sweating brows ever since stumbling across this candid photo of pop sexpot Miley Cyrus.

The starlet was caught topless on camera as she made a quick costume change backstage at the MTV Europe Music Awards in Amsterdam last November.

She was there to receive the Best Video gong for her smash hit *Wrecking Ball*, in which she famously appears stark naked.

The image shows Miley's trademark washboard stomach, perky boobs and ribcage tattoo.

But there's just one problem – the image is entirely FAKE and the work of internet pranksters who Photoshopped the 21-year-old star's head onto another girl's body before adding the "tattoo".

On an online forum a fan posted: "I don't care if it's real or not – I'll still be pulling the end right off it either way. LOL."

GROPE ON A ROPE!

IF you thought bonking the missus in an alleyway behind the pub was daring – have a look at THESE brave shaggers.

The mystery couple posted a video of their mid-air romp online, which has spread like wildfire.

The lusty pair are seen suspended on the side of a sheer mountain cliff face, dangling from a set of ropes while wearing climbing harnesses.

But the only "length" this lady seems interested in is her man's stiff Johnson, which she gobbles before bouncing around on his lap.

The brave chap managed to ignore the vertigo-inducing drop below, maintaining his stride – and his hard-on – before finishing the job.

Now the footage has been dubbed "The world's most extreme sex tape".

One viewer said: "I'd have a heart attack if I had to do it in a stressful situation like that."

No aliens in Prometheus 2

MOVIE fans will be after Ridley Scott said there will be NO aliens in his upcoming *Prometheus 2*.

The first flick, released in 2012, suffered a lack of Xenomorphs that made his 1979 flick with Sigourney Weaver (*right*) so terrifying.

And now Brit director Scott, 76, has risked further ridicule after admitting he has "retired" his face-sucking monsters.

He added: "There's only so much snarling you can do. I think you've got to come back with something more interesting."

Prometheus 2 is due out in 2016.

DEANO ON SUNDAY

JACKO from *Brush Strokes*, aka Karl Howman, is joining *EastEnders*.

We've already got Les Dennis in *Corrie*. What's going on with Eighties comedy mini-stars joining soaps?

What next? Gary Wilmot on *Emmerdale*?

DURING the campaign over Scottish independence, both Alex Salmond and his deputy, Nicola Sturgeon, said the vote was a "once in a lifetime" opportunity.

So why, when Sturgeon launched her bid to replace Salmond as leader of the SNP, did she commit herself to campaigning for a future referendum on independence?

Will these bastards not take "no" for an answer?

Double standards of the loopy Left

FORMER deputy prime minister John Prescott dismissed the shadow business secretary, Chuka Umunna, as "Chumbawamba" at a Labour party conference event.

Fatty Prescott made the remark during an interview with the comedian Matt Forde at the Comedy Store in Manchester, where Labour are holding their tiresome conference.

Now, just imagine that a Tory or a UKIP politician had deliberately mispronounced the name of a black MP.

The Guardianistas would run to the barricades, clutching their petticoats, shrieking "Racist!" through their nut-encrusted bumfluff beards.

Of course, Prescott was not being racist. But it shows the shocking double standards of the Left.

They let their own get away with just about anything. Anyone else, they howl down as a bigot.

Is Tesco a threat to national security?

IN the past, I have not been shy when it comes to criticising Britain's biggest retailer, Tesco.

Steamrollering local shops out of existence, hoarding valuable development land, employing staff who treat customers with scorn bordering on pathological hatred…

The list goes on.

But the latest scandal to hit the mega-grocer presents a very different issue which we would do well to address:

Is Tesco a danger to national security?

Last week Tesco suspended four of its UK executives as £2.1billion was wiped off its shares after it admitted that an accounting error meant profits would be £250million lower than expected.

The admission that Tesco's most recent profits warning to the City was much too optimistic sent shares in Britain's biggest supermarket chain down by 10 per cent.

Now, at this stage we must accept that this accounting error was just that. An error.

So let's say that the beancounters and top bosses at Tesco can get their sums wrong. To the tune of £250million. If Tesco can make this sort of error, what's to say they can't make an error that would, say, make them go bust?

Much as I would cheer this, it would have terrifying consequences.

Riots

Tesco have just over 28 per cent of the market share. If all Tesco stores shut down almost a third of Britain's food supply would disappear overnight.

Cue food riots. Brits who can't get hold of their Tesco Value chicken fillets would be very angry Brits indeed.

If that is not a threat to national security, I don't know what is. It's more of a threat than some beardy twat with a megaphone.

What's the solution?

Break up Tesco. Smash their stranglehold on the High Street.

Will this ensure the peace of the realm? I've no idea.

But it would make me very happy indeed.

MODEL Sophie Anderton is the latest figure to suspect her private photographs have been stolen by computer hackers.

"I do wish someone would stop hacking my iCloud," said the former *I'm A Celebrity…* and *Celebrity Big Brother* contestant.

"Looks like my IT team and the police will have to get involved."

"IT team"? Deluded bint.

Besides, it's a bit rum to moan about "privacy" when you used to rent out your minge to the highest bidder.

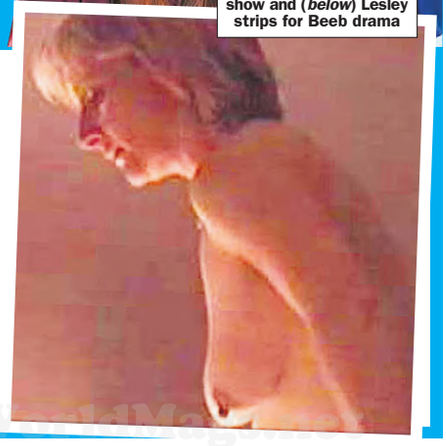
ARRESTING SIGHT: Sexy Suranne lets it all hang out

COP A LOAD OF THESE!

Scott and Bailey babes are topless

TAKING DOWN THEIR PARTICULARS: Girls in show and (*below*) Lesley strips for Beeb drama



THEY'RE the north of England's version of Cagney and Lacey – but with a lot more FRONT!

ITV's lady detective series *Scott and Bailey* is currently enjoying its fourth series, drawing in MILLIONS of viewers on Wednesday nights.

And no wonder – when the dogged twosome are played by accomplished actresses Lesley Sharp and Suranne Jones.

Top-heavy Lesley, 50, plays DC Janet Scott in the show, which is set around the Major Incident Team of the Manchester Metropolitan Police.

While she keeps her top on in the show, she had no problem whipping it off when she starred as Martha Tyler in BBC1's *Nature Boy* in 2000.

And her crime-solving partner Suranne – who plays Rachel Bailey – is also no stranger to flashing the flesh.

The 35-year-old flashed her MASSIVE boobs and hoiked up her skirt to reveal her peachy ARSE during a fun night with pals.

One production source said: "We love working with these two. They make a great partnership."

CORRIE BROOKE NUDE PHOTO OUTRAGE

By BARNEY SAMUELS
news@sundaysport.co.uk

CHEEKY Corrie babe Brooke Vincent left her randy male fans frustrated last week with a cruel NUDE PHOTO prank.

The poppet, who plays cobbles lesbian Sophie Webster, posted a link on her Twitter page reading "Oh No…My Nudes Have Been Leaked!!!"

Many of her 478,000 Twitter followers clicked on the link, thinking the 22-year-old had been caught up in the recent celeb nude photo leak scandal.

But the link took them only to an EMPTY corner of cyberspace.

Bitterly-disappointed fan Barry Goran – who freely admits he had opened a new packet of aloe vera tissues in anticipation – said: "Bah! I was all ready to cough my dirty yogurt and was foiled again."

Balls to the sex life, mate!

A 44-YEAR-OLD who embedded 10 ball bearings in his penis was rushed to hospital when they went rusty under his skin.

Street vendor Ramly believed the steel balls would enhance his sexual prowess and inserted them at his home in Kuala Lumpur, Malaysia, 10 year ago.

But things came to a head last week when pus began seeping from his j*p's eye.

He said: "For a while it worked and I satisfied many women after the wound healed.

"But make no mistake, I will not be putting ball bearings in my penis again. No thank you!"

AXE WOUND ANTICIPATION: You'd never guess Alan is deranged to look at him

FEARS are growing for an Emma Watson fan left "devastated" when promises to leak naked pictures of the star turned out to be HOAX.

Bearded Alan Harris was "frenzied with anticipation" after coming across the EmmaYouAreNext.com website, which showed a countdown clock and a threat to release nude photos of the *Harry Potter* actress.

But when unwed Alan discovered the photos did not exist and the countdown was a PR stunt, he vanished from his cottage in Grimsby, Lincs.

Friends are concerned the disappointment of being denied a glimpse of all-grown-up Emma's axe wound and dangly ham has deranged the 67-year-old retired crab fisherman.

One pal said: "There's no bigger Emma Watson fan in all of Grimsby.

By BARNEY SAMUELS
news@sundaysport.co.uk

"When he heard that some nudie pictures of her were being released he was cock-a-hoop.

"Then he found out that it was all a big hoax. He was gutted. I just hope he's not done anything silly. If he has, I hope I get his whisky collection."

Last week the EmmaYouAreNext website was exposed as a PR stunt for a social media firm.

Emma Watson is fronting a United Nations thing about women's rights or something.

BRITAIN'S GRUMPIEST COLUMNIST

Les Miserable

THE action has been unfolding at the Ryder Cup this weekend, golf's equivalent of the World Cup. The main difference being that football is amazing and golf is for cts.**

The players are bad enough, especially the Yanks, with names like Bubba, Chip, Duwayne, Chad, Belt and Sneeze, but it's the spectators who boil my piss more than anything else.

Why? Their unforgiveable habit of yelling 'get in the hole!' at the ball once a player has teed off. Do these pricks think it can hear them and is going to be spurred on towards the hole as a result? Of course not.

Can you imagine a football fan shouting 'get in the goal!' as a keeper takes a goal kick? Anyone who tried that would be dragged out of the ground by a group of fans and kicked to death in the street.

And rightly so.

ED Miliband staked his claim to be the next Prime Minister this week with a powerful speech at the Labour Party conference.

Obviously, I'm taking the piss here.

What actually happened was he strode around the stage for over an hour, looking like a prematurely-born emu and sounding like a trombone that's been ran over by a lorry.

He's not fit to run a coffee morning let alone a country.

C**T.

THE oldest man in the world was in the news the other day, a 126-year old Brazilian.

Imagine it – all your mates are dead, you've heard all the jokes before and you live in a place that's swarming with gorgeous women in bikinis but you can't get it up.

Why hasn't he topped himself?

THE bee population is starting to grow again after serious fears that their numbers were dropping.

Do YOU know anyone who eats honey? Nah, me either. F**k off, bees.

SOME kid got in the news this week after finding what was described as the world's biggest Hula Hoop crisp – a whopping five inches in length.

Yeah, length, as in it wasn't an actual hoop. So it's NOT the world's biggest Hula Hoop is it?

Tough shit, kid – now fk off.**

LADIES WHO MUNCH

Middle-class mums meet up for secret lesbian sessions

By BARNEY SAMUELS news@sundaysport.co.uk

THERE was a time when ladies of a certain age and social class would while away their afternoons cultivating a drink problem and occasionally sucking off the gardener.

But with the credit crunch biting, fewer households can employ a gardener. And the message about sensible drinking appears to be hitting home.

So what is a woman to do with all the time on her hands?

A *Sunday Sport* investigation has found that for many, the answer lies in part-time lesbianism.

Once the preserve of hairy-legged harridans from the Greenham Common peace camp, in the late nineties and noughties, lesbianism has cleaned up its act.

Dipping

Thanks to inclusion in the storylines of trendsetting TV shows such as *Sex and the City*, *Desperate Housewives* and even our own *Corrie*, lesbianism became as trendy as a Hermes scarf or a Lakeland oven mitt.

Dr Kurt Snaith, director of the renowned school of sexology at the University of West Lancashire, said: "Once lesbianism was a fringe activity but now it's gone mainstream.

"Women from good families, with smart homes, well-appointed kitchens and hardworking husbands are dipping a toe in the pool of sapphic delights, just to keep themselves entertained.

Tidy

"In a very real sense, the beautiful love that can exist between a woman and another woman has been turned into a viable lifestyle choice, a must-have, if you will.

"And there's nothing wrong with that. Unlike Range Rovers or big fridges, lesbianism does not have any environmental impact and can be good exercise.

"As long as these women remember to tidy up and squirt a bit of air freshener around the house when they've finished, there should be no harm in it – especially if they still have hubby's supper on the table when he gets home."

SEVEN FEARED DEAD AFTER VOLCANO BLOWS

A VOLCANO in central Japan erupted yesterday, catching climbers by surprise and injuring at least 40 people who were stranded on Mount Ontake.

Another seven people were last night still missing.

Emergency service rescue staff were trying to approach the area on foot, after ash in the air made it too dangerous to use helicopters.

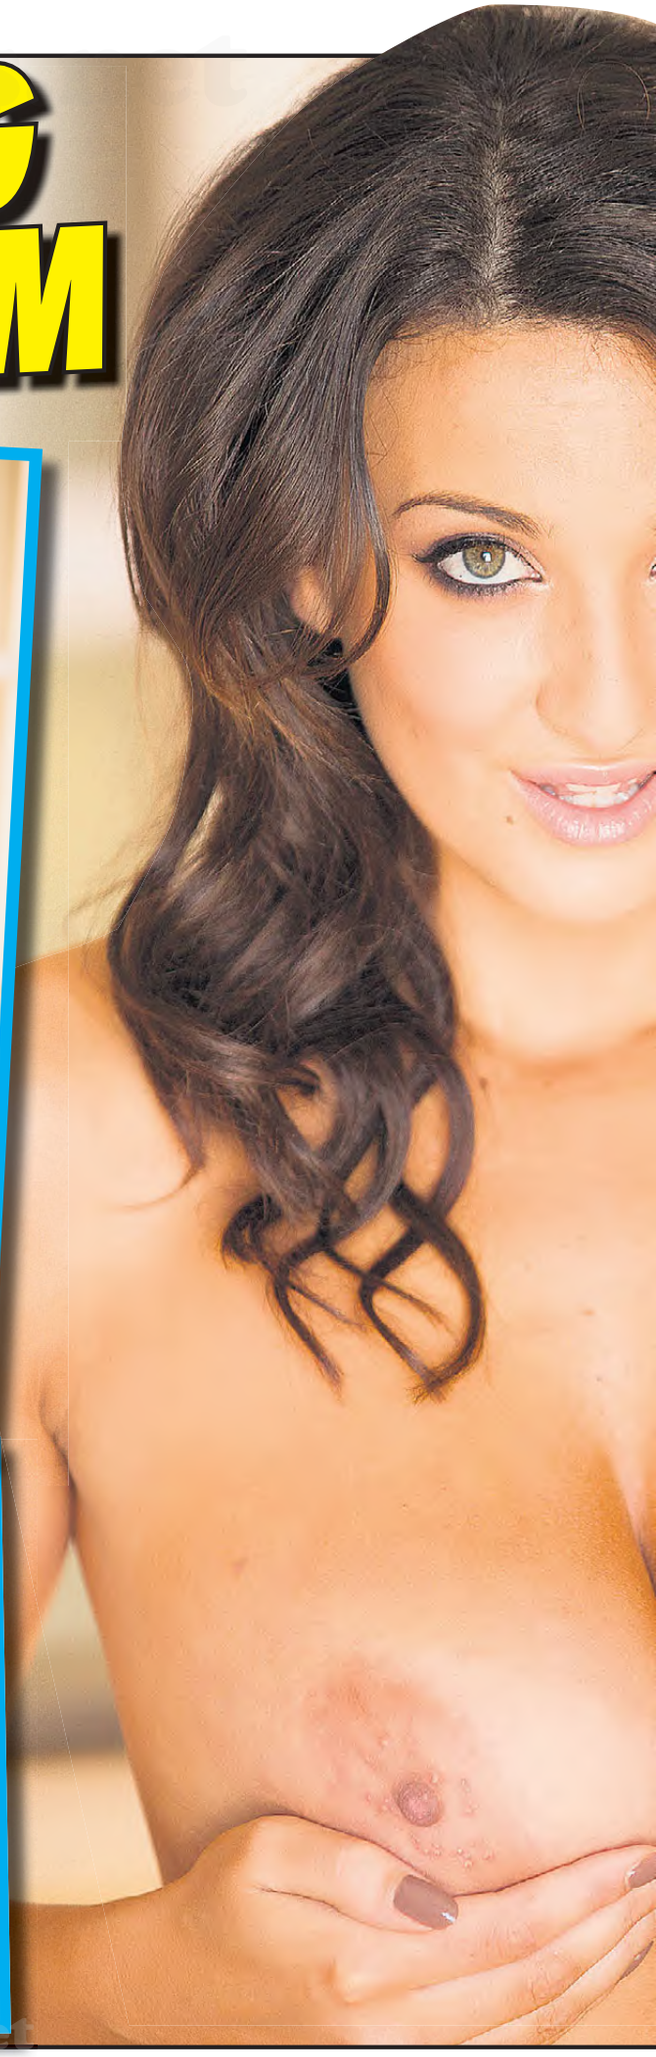
JOEY'S DYING TO BE ON FILM



WorldMags.net

By JOSPEH SCRIMSHIRE
joseph@sundaysport.co.uk

BUSTY glamour girl Joey Fisher has a body to die for... LITERALLY!

The 32H beauty makes her blood-splattered screen debut in upcoming Yank horror *Parlor*, which hits festivals next week.

In the flick, Cardiff babe Joey plays a STRIPPER who meets a gruesome end at the hands of a sadistic tattoo artist.

Gory

The 22-year-old said: "There was so much gory stuff when we filmed my final scene.

"But I love watching those types of movies – so it was great fun!

"I have to admit it's a bit weird seeing the film again. Just hearing your voice can be cringeworthy... so imagine what it must be like to watch your own DEATH!"

"But it was an awesome experience, and I really want to do another movie!"

STUDENTS TALK SEX!

MARIANNE COX
AGE: 21
FROM: Leicester
STUDYING: Psychology
UNIVERSITY: Northumberland
FAVE DRINK: Voddy Red Bull
FAVE FOOD: Voddy Red Bull!
FAVE FILM: *Billy Elliot*
FAVE ACTOR: Ryan Reynolds

LUCY PATTERSON
AGE: 20
FROM: Glasgow
STUDYING: Modern Languages
UNIVERSITY: University of Sunderland
FAVE FOOD: Italian
FAVE DRINK: Rosé wine
FAVE FILM: *Moulin Rouge!*
FAVE ACTOR: Johnny Depp

OLDER MEN

MARIANNE: Have you ever had the hots for an older man?

LUCY: Yes, I tried to pull a teacher when I was in sixth-form but he was having none of it!

MARIANNE: What happened?

LUCY: I put loads of make-up on and flirted with him but he wasn't interested! He was about 40 and ugly but I still fancied him. I've never been with an older man but I'd like to give it a try.

MARIANNE: I used to dream about bedding my English teacher at sixth-form. I never had the guts to make a move but I regret not trying it on with him!

OH-NO MOMENTS

LUCY: Have you had any cringe worthy moments during sex?

MARIANNE: Yes, I was having sex with my boyfriend in a car park once when we got caught by the police!

LUCY: What happened?

MARIANNE: After we'd got dressed they gave me a written warning and a £60 fine! I've never been so embarrassed in my life.

LUCY: My worst moment was when my flatmate walked into my bedroom while I was having sex with my boyfriend. I was in the reserve cowgirl position and my mate saw everything!

MARIANNE: What did she do?

LUCY: She went bright red and left the room! We hardly spoke for weeks.

BUM FUN

MARIANNE: Do you do bum sex?

LUCY: No, my bum is an exit not an entrance! I don't think I'll ever do it. No one I know who has tried it once has ever done it again. They all say it's really painful.

MARIANNE: I'm never going to try it either. My ex tried to put his willy up there once without asking and I slapped him across the face! I told him if he'd let me stick a cucumber up his bum then I'd let him take my bum virginity!

WILLY SIZE

LUCY: Do you prefer big willies to small ones?

MARIANNE: I do but as long as they know how to use what they've got, size isn't that big an issue. Big ones are generally better though.

LUCY: What's the biggest one you've had?

MARIANNE: About 10 inches. It was a guy I had a one-night stand with. It felt amazing and he gave me loads of orgasms.

LUCY: My boyfriend at the moment has the biggest one I've had. It's about eight inches long.

MARIANNE: Do you think size makes a difference?

LUCY: It's definitely a bonus but I think how they use what they've got is much more important than size.

STUDENT SEX

MARIANNE: When you're a student your sex life goes through the roof doesn't it?

LUCY: Yes, there's nowhere like uni for lots of no-strings sex with fit guys!

MARIANNE: I don't think the quality of the sex is very good at uni but students definitely get laid more than most people. It's just a shame that the sex is usually drunken!

KINKY STUFF

LUCY: Are you into shagging outside?

MARIANNE: Yes, it's one of my favourite things...it's a fetish of mine! I'm always doing it in car parks, parks and alleyways. The thrill of getting caught is a massive turn-on.

LUCY: I'm into kinky sex. There's nothing I like more than being tied to the bed and blindfolded. It really gets your adrenalin running because you don't know what's going to happen next.

SEX TOYS

LUCY: Have you got a fave sex toy?

MARIANNE: Probably my Rampant Rabbit...it always gives me an orgasm!

LUCY: I love using tingle lubricant. It really gets me turned on.

MARIANNE: Do you not have a vibe?

LUCY: No, I like the real thing too much to settle for a plastic substitute!

DRESSING UP

MARIANNE: Do you ever dress up in the bedroom?

LUCY: Yes, I own some really sexy lingerie and I'm always wearing my peep-hole bra!

MARIANNE: Does it work?

LUCY: Yes, blokes eyes pop out when they see me wearing it and it always leads to a great shag!

MARIANNE: I dressed up as a policewoman on a night out and pulled an off duty copper who said he'd always wanted to shag a WPC in uniform!

LUCY: Have you done it since?

MARIANNE: No, I'm more into taking my clothes off rather than putting clothes on for sex!

FAVE POSITION

LUCY: Favourite sex position?

MARIANNE: I like doing it in the doggy position because it's really dirty. It also frees up my hands so I can do other things while I'm getting shagged!

LUCY: I prefer the reverse cowgirl position, it's something about the angle of the willy in that position that always gives me an orgasm.

ONE-NIGHT STANDS

MARIANNE: How many one night stands have you had?

LUCY: None because I've always had boyfriends. If I was single I'd definitely have one...you only live once don't you!

MARIANNE: I've had about 12 since I started university. It's great fun and you don't have to wash the guys clothes or be nice to them, you just use them to fulfil your needs!

LUCY: Were they all good shags?

MARIANNE: Most of them were. I've had a couple of bad ones and a couple of mingers too but that's all part of the fun!

BEST-EVER SEX

MARIANNE: What's the best shag of your life?

LUCY: When I was on holiday we left our doors and windows open in our apartment while we were having sex on the sofa!

MARIANNE: Were you worried about being caught?

LUCY: No, it was a real turn-on knowing that anyone could walk in or see us through the window! We shagged in every room of the apartment, too. I had the time of my life.

MARIANNE: My most exciting shag was when I was 18 and we did it in a room full of people at a party. We were under a duvet on the sofa and no one realised we were shagging. It was hilarious.

'I was in reverse cowgirl and my mate saw it all'

LYNSEY LEAVES BOOB FANS NURSING A SEMI!

By NEIL GOODWIN
neil@sundaysport.co.uk

AMBITIOUS Lynsey Atkinson proves glamour girls have looks AND brains – she's just started at university!

But it's bad news for fans of her curves, as she's planning to hang-up her modelling lingerie and swap it for an official nurse's uniform in three years' time.

The babe, 31, explained: "I recently experienced my first day as a student nurse, and it was amazing.

"It's a pretty terrifying experience – I'm about 10 years late for campus – but it's such an exciting period of my life and I can't wait to embark on a new career.

"Our first lessons feel worlds away from my job as a model on late night TV phone-in shows.

"But in three years' time I want to be working in a hospital, saving people's lives and doing something unbelievably good for the world.

"And in the meantime I'll keep modelling to pay my tuition fees!

"So enjoy me while you can, boys."

Dear Kyla,

I WENT to a neighbour's barbecue a week ago and when his missus started eating a sausage suggestively while looking at me I knew I was on a winner.

She's 44, blonde with a cracking body and I'm 26. We went to her bedroom and she wasted no time getting my cock out, sucking me off like and expert. Then I licked out her bald fanny before boning her from behind.

She wants to make it a regular thing and that her husband knows all about it and that he wants to watch next time.

I think it's all a bit pervy but she is well fit.

What should I do?

JY, north London

Kyla says...

WHY not get round there and get stuck in. Show her man how it should be done as he's obviously not up to the job. Who knows, you might even get a bit more barbecued grub after you've finished eating his missus!

Dear Kyla,

A COUPLE of weeks ago on a romantic short break in London for my girlfriend's 25th birthday, we took a tour on an open-topped bus.

We'd had a meal and a few glasses of wine beforehand and by the time we'd got aboard we were quite merry.

There were quite a few tourists on the bus so we sat at the back for a bit of a kiss and cuddle.

It wasn't long before we started to feel a bit frisky.

My girl very sneakily unzipped my kecks and gently eased my throbbing manhood out.

Then she hoisted herself onto my boner and began humping and writhing as I gripped her tight butt.

Soon we were both grunting and moaning as we orgasmed in unison.

Suddenly we remembered where we were and to our horror realised all the other passengers had been watching.

We got off at the next stop – only for the whole top deck to start cheering and applauding!

TS, Staffs

Kyla says...

I THINK sex outdoors is great and the fact that you had the guts to do it on the bus is amazing. Well done!

Dear Kyla,

THE other day I was walking in the park and I noticed a young couple snogging.

It was early evening and I had nothing else to do so I hid behind a tree to watch.

I saw him ease his hands down her knickers and she parted her legs as he gave her a right good fingering.

Then she stood up, slipped her dress over her head and bent over against the tree.

The fella got his nose in and started slurping on her pussy, then stood up and gave her one.

Needless to say I was wanking like a good 'un, until I noticed an old granny watching me and frigging herself off.

The sight of it has put me off sex.

Can you help?

TR, Hants

Kyla says...

WHAT'S wrong with you? Do you think it's only you who has sexual feelings and gets turned on watching other people having it off? You should be pleased that seeing you pleasuring yourself has given someone else pleasure. Of course, if it had been a park warden who saw you it might not have been a happy ending for any of you!

DO YOU HAVE A SEX PROBLEM?

AGONY WITH Kyla Cole

Age 27, 36D-24-34, from Lambeth

I am bust dying to bed big-boob babe

Dear Kyla,

MY personal assistant at work is not bad-looking but what her face lacks in beauty, her hot body makes up for.

She's blonde, flirty and has a massive set of tits. She wears extremely low-cut tops and likes to bend her shapely arse over in front of me at any opportunity.

It was her 30th birthday recently and I offered to take her out for a drink after work as she'd been moaning about how she'd have to stay in as her boyfriend was working away.

So off we went to the pub. As the night wore on and we'd had a few drinks and laughs, I blurted out that I'd love her to give me a tit-wank.

She told me with a wicked smile that she loved giving them and would be happy to oblige.

We went back to my flat where she took off her blouse and bra and unleashed her top set.

Lubing

I was rock-hard in an instant and she admired the length of my tool before lubing it up with her lips and wrapping her boobs around it.

She waggled them up and down so well that it took great restraint on my part not to come within seconds.

She'd obviously done this plenty of times before and I watched as the tip of my cock slid in and out of her cleavage, getting a lick from her tongue as it neared her lips. I held off as long as I could but finally shot my load over her shoulder, which made her laugh.

I sucked her nips and tried to give her one but she said she wouldn't because she wanted to remain "faithful" to her boyfriend.

But she did suck me off.

I can't understand her outlook but I've been getting tit-wanks and blowjobs galore.

But I'd still like to shag her. Any ideas?

MJ, East Kilbride

W*nk vid wound up with ma-in-law

Dear Kyla,

THE other week I got myself a snazzy new smartphone with a great monthly payment plan.

The missus was at work on the day I got it, so I decided to experiment a bit with the apps and functions.

I thought I'd send her a saucy video, hoping she'd find it funny and that it would put her in the mood for a good rogering when she got home. Things haven't been so good in the bedroom department of late, she's always complaining she's too tired for nookie.

So I nipped up to the bathroom and got myself standing to attention, if you know what I mean.

I videoed a clip of myself playing with my proud soldier to the point of completion. It was a bit shaky but it was clear what was going on and I was convinced it would do the job and get the wife all wet at work and raring for a bit of what she was seeing.

So I cleaned up, had a cursory glance at the manual then sent the filthy vid to the missus.

Unfortunately it was the wrong number in my phone book that I attached it to and it ended up going to the mother-in-law.

Obscene

She'd never liked me much and I swear she called the cops on purpose to report the obscene message.

The boys in blue turned up at my house in force just as the wife was returning home from work.

Thankfully, after I'd explained what had happened I was let off with a warning.

But now my father-in-law won't talk to me and the wife has moved me into the spare room, saying our sex life is over.

What can I do?

PD, Norfolk

Kyla says...

AH the hazards of modern mobiles, eh? We've all sent messages to the wrong person – but what you did was, frankly, hilarious.

You should take your wife, her mum and her dad out for a slap-up meal and apologise profusely. And maybe ditch the phone – you obviously shouldn't be let loose with it!

Dear Kyla,

I LOVE watching women's golf on the telly. The contrast between those big girls and the lovely lithe blondes is amazing.

I know which I'd prefer to take up the fairway – and it's not the amazons, who'd surely be total ball-crushers.

RH, Lancs

Kyla says...

YOU don't have to worry either way – you'll be safe enough playing with your niblick while watching them all on the telly, I reckon.

SEX CONFIDENTIAL

BIG MISTAKE AT SUPERMARKET PRODUCT TESTING OFFICE...

Kyla says...

WHEN Britain was still a mighty nation and retained the last vestiges of her Empire, sexual apparatus was to be found in back street stores where the eyes of the casual observer were shielded by blacked-out windows.

Today, alas, thanks to the efforts of the feminists and long-haired Communists from the "sex shouldn't be dirty" brigade, marital aids are on open sale in all manner of boutiques.

Even High Street chemists' shops!

Little wonder then that these ladies at the product testing department of a major supermarket chain got all confused.

Still, the boss puts them right with a quick disciplinary bum-scuttle.

GOAT SEX RING SMASHED AT SHOPPING MALL

By BRAD CHADWICK
in Bulawayo

TWO perverts were chased by angry shoppers after the pair were caught nuts-deep in GOATS behind a mall.

The nanny-bonkers were spotted by Gogo Mahlipi, who heard the men – employed as shepherds – were abusing their flock.

But the unnamed felons ran off when they saw Mahlipi at the back of the Nkulumane Shopping complex in Bulawayo, Zimbabwe.

Mahlipi later said: "There were rumours locally that these men were having sex with the goats. That is why locals do not buy their goats from these men.

"Local people go to Binga to get clean goats. But unsuspecting folk from the suburbs may come and buy unclean goats that these men have used as their wives."

Thomas Sibanda – an elder with Rivers of Life Ministries, whose church is near the complex – said he also chased the goat bummers but failed to catch them.

And Norman Moyo, who works as a security guard at the shopping centre, said: " I also came across a similar incident, two weeks ago, when I was going to work in the early hours of the morning.

"But I did not waste time interrupting the perpetrators, as I was late for duty. "

Other goat dealers in the area say they are very keen for the perpetrators to be caught – as the animal shaggers are giving the local goat trade – and its workers – a bad name.

Nkulumane Police said they had no knowledge of goat sex at the shopping mall and nobody had made a complaint.

NO KIDDING: Beasts had sex with goats in city centre

LILLO'S RINGPIECE

STEVE LILLIS' KNOCKOUT BOXING COLUMN

Next job for dentist Josh is to give title rival Dieli a good drilling

FANS' FAVOURITE: Josh Warrington

BOXING "tooth fairy" Josh Warrington is preparing to give the world's top featherweights a FILL-ING.

He hopes Italian Davide Dieli will feel numb with pain in Saturday's vacant European title fight at First Direct Arena, Leeds, on Saturday.

The dental technician has personally sold 1,500 tickets for the hometown fight – and his fan base has led to comparisons with Britain's most popular boxer ever, Ricky Hatton *(below)*.

"Leeds Rhinos rugby league are flying, but there are a lot of football lads who come down," the 23-year-old told *Lillo's Ringpiece*.

"They have said to me that my fight nights produce a better atmosphere than Elland Road the way things are going with the team.

Glory

"I'm a very passionate Leeds lad, but I'm just Joshie from the block. The dentist. The boxing tooth fairy.

"Ricky came out to *Blue Moon* and I do to Leeds United anthem *Marching On Together*. It is not because Ricky did something similar.

"When I go to Elland Road, seeing the team coming out to that song makes the hair stand on the back of my neck even after all these years.

"The club is not doing great, but they've got one of their own doing well. Fans like to see a bit of glory in their own city – whether it is footballers, boxers or even darts players.

"Boxing is a massive sport and some of the older lads who watch me talk about watching Nigel Benn, Chris Eubank and Henry Wharton."

Whether Warrington can come close to matching Hatton's world title winning achievements remains to be seen, but he's doing plenty right.

He has won all 18 pro fights, picking up British, Commonwealth and English championship belts.

And despite his baby-faced looks, it's expected that he will pick up a fourth title when he goes in against 35-year-old Dieli.

Maturing

Josh joked: "When I turned pro at 18 I was very skinny and not one of these teenagers like Scott Harrison with a beard and man's body.

"I still look like a little boy and still have just a few hairs on my chin.

"But I am maturing nicely and I have a couple of game plans for the fight with Dieli."

Warrington believes his career is on the up and he's ready to go to the next level.

He added: "It's all come very quickly, but I think with every fight I've experienced a little bit more.

"I've become a better boxer and I keep on progressing and keep taking the opportunities with both hands.

"My confidence is through the roof after the last couple of wins and it's a good time to step up."

Froch gets out of DeGale so he can breeze into Vegas

CARL FROCH is ready to snub a showdown with British rival James DeGale to chase his American dream.

The IBF and WBA champion has been considering a defence against DeGale in London on January 31, but that now looks increasingly unlikely.

Next year is almost certainly Froch's final one as a boxer and he is desperate to light up Las Vegas before retiring.

WBC champion Anthony Dirrell could be a likely opponent.

Froch said: "I'm trying to hang in for Las Vegas.

"It's the fight capital of the world and many of my heroes have boxed there.

"I have not ever been there to fight, but it would tick a massive box in my wonderful career."

AMERICAN DREAM: Froch

POINT MADE: McDowell and Debuisson celebrate

ROSE FLOWERS AS MAC'S MEN MARCH CLEAR

RYDER CUP

JUSTIN ROSE kept up his stunning Ryder Cup form to hand Europe a four-point advantage going into today's singles.

The Englishman won his third point in three matches at Gleneagles when he partnered Henrik Stenson to a 3&2 win over Bubba Watson and Matt Kuchar in the morning fourballs.

And, with the pressure on, he holed a five-footer with the last shot of the day to deny the Yanks what would have been their first point of the afternoon.

That saw Rose and Martin Kaymer pinch a half in the foursomes against Jordan Spieth and Patrick Reed.

And it gives European captain Paul McGinley a reverse look at what faced Jose Maria Olazabal's men two year's ago at Medinah, when they fought back from 10-6 down in the final-day singles to claim the most famous of victories.

McGinley will want no repeat of those heroics from Tom Watson's side this time around.

STUNNING FORM: Rose

Record

Lee Westwood edged closer to becoming Europe's record points scorer with a second foursomes win alongside Jamie Donaldson.

Despite being beaten 4&3 by Jim Furyk and Hunter Mahan in the morning fourballs, the home pair were sent out again and responded with a hard-fought win over Zach Johnson and Kuchar.

That gave Westwood his 23rd point, just two short of the record held by Nick Faldo.

Also in the afternoon, Graeme McDowell and Victor Dubuisson completed a 5&4 win over Jimmy Walker and Rickie Fowler, while Mahan and Furyk could also only make a six on the 16th to hand Rory McIlroy and Sergio Garcia an excellent 3&2 triumph.

The morning fourballs had been much tighter, with the USA claiming 2.5 points to Europe's 1.5.

Apart form Rose and Stenson's steamroller job in the first match, the only other joy for the home team came with a half from McIlroy and Ian Poulter, who holed a sensational approach at the 16th.

RAFA ON WAY BACK

TENNIS

RAFAEL NADAL will return to action for the first time since his shock Wimbledon loss to Nick Kyrgios against Richard Gasquet at this week's China Open.

Nadal was forced to take an extended leave of absence due to a right wrist injury but is eager to play with the ATP Tour Finals in London fast approaching.

The Spaniard has already qualified for the O2 Arena showpiece but is short of top-level match practice.

"I am much better. The evolution of the injury took a little bit of time, but that's it," said Nadal.

"I just feel the wrist a little bit when I am starting, when I start to play every day, but then it disappears.

"I'm in good condition to compete again. The last part of the season remains and I am going to try to be ready for it.

"I hope to practice and play as much as possible to be in rhythm again."

Salisbury have been shafted fit and proper!

WHILE the billionaires at Manchester City enjoy their newly-purchased Premier League and European adventures, spare a thought for a very different City.

This City have found themselves a victim of yet another madcap foreign "owner" and exposed our football authorities' total lack of scrutiny when it comes to clubs being taken over.

Salisbury City were in a perilous financial state at the end of last season.

Expelled from the Football Conference, they were in dire need of a saviour to take over and cover their £50,000 debts.

In stepped Medi Outail Touzar *(below)*, who purchased the club for the now familiar token £1 price tag and promised good times lay ahead.

Now, as it inevitably turned out that not only did Touzar not have a pot to piss in, he was also as astute at running a club as Ed Miliband is at remembering his lines, the club are on the verge of extinction.

He even managed to mess up getting them entry to the lowest level of football so at least the town had a team to follow.

Some might say it's up to the club to do the necessary checks, but when they're in as bad a state as Salisbury clearly were, surely our own football authorities should step in to help out and ensure they aren't sold further down the river?

The Football League and Football Association need to get their heads together and ensure this doesn't happen to any more clubs.

They have just as great a duty of care to the likes of Salisbury City as the fat cats who fill their wallets.

IT'S derby weekend, with the North London and Merseyside giants clashing yesterday.

But there are some local tussles elsewhere in the world that make ours look tame by comparison.

In Egypt, the Al Ahly v Zamalek Cairo derby is so fiercely contested the 120,000 sell-out match is officiated by overseas refs flown in especially.

Meanwhile in Iran, every business in the capital city of Tehran closes down for the day of the Esteghlal v Persepolis derby, which is watched by over 128,000 fans.

Now that's rivalry!

Slade's story shows that nice guys CAN win

CLAPPY DAYS: Russell Slade

THE Russell Slade story has taken a delicious twist, hasn't it?

Last week I said how badly he was being treated by Leyton Orient's new owners when they issued the ultimatum of "win the next match or you're sacked".

Two games and four points later, Cardiff have decided they fancy Slade to replace Ole Gunnar Solskjaer, so it looks like he's about to land a dream job – and stick two fingers up at Francesco Becchetti.

Maybe nice guys do win sometimes.

Cisse: Pap form is all behind me

Stoke v Newcastle

Monday, 8pm – Live on Sky Sports 1

PAPISS CISSE insists he never wanted to leave Newcastle and hopes to repay Alan Pardew's faith with more goals.

Toon's Senegal star was linked with a summer exit to both Russia and the Middle East as he fought back from a broken kneecap.

The 29-year-old struggled to hold down a regular place last season.

But he burst back onto the scene by coming off the bench to grab both goals in a 2-2 draw with Hull as Pardew's side came from two down to save the under-fire manager's job.

Cisse says he's fully committed to the cause and out to prove that last season's return of just four goals was an unwanted blip as he looks to get back to his lethal best.

Toon's £8million hitman said: "I've never thought, 'I need to move' or anything like that, not at all.

"It was just rumours circulating from outside this summer, but I just remained focused on getting back fit and playing."

Character

Rock-bottom Newcastle travel to Stoke looking for their first Premier League win of the season boosted by the midweek Capital One Cup triumph at Crystal Palace.

Cisse hopes to get his first start of the campaign at the Britannia after missing the Selhurst Park victory through illness. He added: "It's been a tough start to the season and hard for the players.

"But we have shown good character in our last two games to get something when we've been behind and hopefully I can get on the scoresheet again soon to help us."

Davide Santon, Siem De Jong, Rolando Aarons and Adam Campbell are all out injured, but Pardew hopes Tim Krul and Yoan Gouffran will shake off illness bugs to play.

Stoke manager Mark Hughes says ex-Barcelona ace Bojan is yet to find his feet in the Premier League. The forward has found himself playing a bit-part role so far, despite lighting up the Potters' pre-season with three goals.

And he could again find himself on the bench against Newcastle tomorrow night.

Hughes said: "Pre-season games are a lot different from Premier League games. When new players come in I do think they initially get taken aback by the intensity of the Premier League.

"He'll have to adjust, which he's doing. Given the quality we see in training, he is an exceptional footballer so he is going to be a big part of what we do.

"It is just about making sure that we introduce him at the right times in the right games against the right opposition.

"We are coming off the back of two away games. At the moment he's probably better served playing in the home games.

"But it's early days. He's signed a long-term contract. He is very much in the infancy of his tenure here and we just want to make sure that when he does take part then he is going to have a big impact for us."

SAIDO'S A SAINT AFTER SINNING

W Brom v Burnley

Sunday, 4pm – Sky Sports 1

WEST BROM ace Saido Berahino admits he sinned last season but is now a saint again.

The England Under-21 hot-shot burst onto the scene at the Hawthorns last term, netting nine goals.

But his off-the-field activities – where he was pictured inhaling "hippy crack" and was also involved in a dressing room bust-up – left a black mark against his name.

Deeply religious Berahino, 21, said: "I am not perfect. I'm always asking for forgiveness for what I've done, because we're all sinners at the end of the day.

"Last season I felt more alone than rock bottom.

"There was no-one I could go to and get advice from at the club.

"Things have changed. I don't think the seniors knew who I was.

"Now we have got that relationship – they understand me and I understand them.

"Have I grown up? One hundred per cent. You mature quicker, playing a man's game, you have the senior lads that help you along with it as well.

Morale

"It improves you as a man on and off the pitch. You need to look after yourself well to ensure that you give yourself a chance to play well when the games come."

Marvin Sordell claims Burnley's band of brothers can defy the odds and beat the drop.

The winless Clarets are favourites to be relegated and lie second from bottom with just three points from their opening five games.

But striker Sordell insists morale remains sky high and they will relish the chance to prove the critics wrong.

"A lot of people have already written us off," said Sordell.

"But we're a tight-knit group, with great unity and a lot of quality. Enough to survive in the Premier League.

"This league is one of the toughest in the world, but I think the wins are going to come."

FED OUT TO THAI UP PROMOTION

ADAM FEDERICI reckons that Reading can now target promotion after a takeover was sealed.

The Royals are in the hands of a Thai consortium after months of uncertainty.

And keeper Federici said: "It's great to get it all sorted and now everyone knows what is what and we look forward to moving upwards with the new owners."

The Royals will press their claims for a top-six spot when Wolves visit today.

Reading v Wolves

Sunday, 1.15pm – Sky Sports 1

Federici *(left)* said: "Wolves have got a lot of momentum coming up from League One, so they're playing with a lot of confidence and now we need to match their energy.

"They've not surprised me at all. A lot of teams that have come up have the confidence from winning games. Once you have that, it's hard to break.

"It's going to be a tough game, but we look forward to the challenge."

Complacency

Wolves went into the weekend in third spot after an impressive start to the campaign.

But boss Kenny Jackett has warned his side against any complacency. He said: "Reading just missed out on the play-offs last year and were very unlucky; they've always been quite a force in this division.

"They have, I think, quite a strikeforce and quite a choice.

"I saw them at Derby in the week and although they made some six changes, the players that came in are often like for like for those that have been starting regularly."

FOREST FAIL TO CATCH FIRE

FRUSTRATED: Pearce

TIGHT TUSSLE: Forest striker Assombalonga battles with Albion defender Dunk

MICHAEL MANCIENNE missed a golden injury-time chance to keep Forest top of the table.

The Reds centre-back was left unmarked from a Ben Osborn corner but headed down into the ground and over the bar.

It summed up a drab game, but Stuart Pearce's side have still to lose in nine matches.

Brighton could have scored inside the opening two minutes as Joe Bennett shot straight at Karl Darlow from out wide.

But high-flying Forest took control. Chris Burke missed a great opportunity from a good position as his shot was blocked, before Henri Lansbury headed over from Danny Fox's cross.

Forest were failing to take their chances, with striker Britt Assombalonga blazing high and wide after Lewis Dunk had lost the ball.

Robert Tesche was unlucky not to score. First he collected a ball from Osborn and shot a whisker wide.

Deadlock

Then he saw a brilliant 25-yard effort saved by David Stockdale before also going over with another long-ranger.

Brighton will feel they should have broken the deadlock before the break when Adrian Colunga tamely shot straight at Darlow from Kazenga LuaLua's run and pass. In first-half stoppage time, Craig Mackail-Smith was unable to make proper contact on a Bruno Saltor cross and the ball went just wide.

Mancienne was a fortunate man to slice Colunga's cross just wide within seconds of the restart.

But this was not a classic, with chances drying up as a LuaLua individual effort went just wide.

Sub Lars Veldwijk could have made himself an instant Forest hero but he sliced wide Fox's free-kick with his first touch.

For the Seagulls, Craig Mackail-Smith shot just wide when played in by Jake Forster-Caskey, before Mancienne failed to win it for Forest.

Huddersfield	2
Millwall	1

TWO goals by Nahki Wells brought Huddersfield's first home win of the season as Millwall's shocking run continued.

A dour first half was livened up on 37 minutes when Terriers striker Wells lashed home past Lions keeper David Forde from 20 yards.

The visitors were only behind for four minutes though, as Ed Epson – who had earlier hit the bar with a curling effort – struck a crisp half-volley into the top corner following a good cross by Scott McDonald.

But Wells sealed the victory on 57 minutes as he scored from the spot after Harry Bunn had been brought down by Nicky Bailey.

Bournemouth	2
Wigan	0

WIGAN'S disastrous road show bombed again on the south coast – thanks to Yann the man.

Yann Kermorgant's brave 36th-minute diving header put the skids under Uwe Rossler's men, who are still looking for their first away win.

And defender Simon Francis completed the scoring 20 minutes from time to give Bournemouth their first win in seven league games.

Wigan didn't heed boss Uwe Rosler's pre-match "fight for every ball" rally call and were booed by their own fans at the end after chalking up their fifth defeat of the season.

Ipswich	2
Rotherham	0

IPSWICH'S very own M&Ms steered the Tractor Boys to a fourth straight win.

Daryl Murphy and David McGoldrick combined once more to move Town into the top six.

Millers keeper Scott Loach could only parry a Tyrone Mings header from a Paul Anderson corner back out to Murphy in the third minute.

And McGoldrick added a second with a sweetly-struck 20-yarder.

Conor Sammon hit a post after rounding Loach, while Rotherham were denied a penalty when Matt Derbyshire was pulled down by Mings.

Dean Gerken saved from Paul Green and Ben Pringle blazed over the bar.

Blackburn	2	Watford	2

OSCAR SINNERS SHOW NO HEART

THE hit-and-miss Hornets did boss Oscar Garcia's health no favours at Ewood Park.

Garcia – out of hospital after mystery chest pains – watched from the directors' box as his team lost a two-goal lead to battling Rovers.

Matej Vydra snapped up the opener against the run of play thanks to a Craig Cathcart punt forward.

The Czech striker beat the offside trap to turn Shane Duffy before firing past keeper Jason Steele.

Ten minutes later they were two up after Corry Evans clipped Vydra's heels and Daniel Tozser curled in the free-kick.

But Rovers' star man Rudy Gestede pulled one back straight after the break with a power header.

Then Gestede's cross was nodded in by sub Ryan Tunnicliffe on 79 minutes, before Tom Cairney hit the angle in a heart-stopping finish.

Blackpool	1	Norwich	3

Lew & Murph on top form

LEWIS GRABBAN and Josh Murphy bagged late goals to send Norwich top of the table.

Neil Adams' Canaries are unbeaten since the opening day of the season and their win moves them up to top spot.

Blackpool had the better of the first half but Norwich should have led when Grabban was played through by Wes Hoolahan, only to turn wide from close range.

The Seasiders grabbed the lead when John Ruddy rushed out to block from Nile Ranger and Nathan Delfouneso turned in the rebound.

But the lead lasted just eight minutes before Donervon Daniels nodded into his own net from a corner.

Grabban's strike deflected past Lewis with 10 minutes remaining before Murphy *(above)* thumped in the third a minute later.

Birmingham	1	Fulham	2

HUGO RODALLEGA pounced on a mistake to give Fulham their first win of the season.

The Colombian striker *(below)* took advantage of a mix-up between Jonathan Spector and Darren Randolph to fire into an empty net on 71 minutes.

It sealed a comeback that had looked unlikely for the first hour, but Tim Hoogland's equaliser changed the flow of the game.

Birmingham had taken a first-half lead through David Cotterill, the winger cutting inside and curling a right-foot shot past Marcus Bettenelli.

Blues wasted several chances to extend their lead, with Wes Thomas and Jonathan Grounds both failing to hit the target.

In the second half, Bettenelli denied Stoke loanee Brek Shea with a brilliant full-length save.

Dark day for Milanic

DARKO MILANIC'S reign as Leeds boss began with defeat as they were brushed aside at Griffin Park.

Goals from Jota and Alan McCormack earned the Bees victory to end United's four-game unbeaten run.

The hosts dominated throughout and wasted an early chance when James Tarkowski blazed over from the penalty spot after Andre Gray was brought down by Jason Pearce.

But Spanish midfielder Jota broke the deadlock in first-half stoppage time when he cut inside before blasting the ball into the roof of the net.

Pearce almost levelled at the beginning of the second half, only for David Button to keep out his header.

Brentford wrapped up the points on 76 minutes when McCormack's shot deflected off Pearce and nestled into the net.

Brentford	2

Bolton	0	Derby	2

FURIOUS Bolton fans called for Dougie Freedman's head as Derby's Chris Martin atoned for an early penalty miss with a brace.

The Rams striker *(below)* went from villain to hero as he fluffed his lines from the spot before bagging his fifth and sixth goals of the season.

The pressure now mounts on Freedman, whose team slipped into the bottom three after slumping to a SIXTH league defeat of the campaign.

Twice a fan ran onto the pitch to lead the protests against the Scot.

Keeper Andy Lonergan denied Martin from the spot after Kevin McNaughton's foul on Craig Bryson.

But the striker made amends, sweeping home Cyrus Christie's cross before firing in a vicious shot after a poor clearance.

City win it for Russ

RUSSELL SLADE saw Cardiff win for the first time in six games.

The former Leyton Orient boss is expected to be named as Ole Gunnar Solskjaer's successor on Tuesday.

Slade resigned in midweek and pitched up in south Wales to see Sean Morrison and Anthony Pilkington give City all three points.

Cardiff took the lead when Morrison headed Peter Whittingham's free-kick past Kieren Westwood.

Two minutes after the restart Morrison turned villain when he turned in Chris Maguire's cross.

Fifteen minutes later the Bluebirds were back in front thanks to a piece of individual brilliance from Pilkington.

Craig Noone's cross was headed back by Kenwyne Jones and, after a wonderful flick, Pilkington volleyed past Westwood.

A GAME of few chances at the Valley ended in the only way it could – goalless.

Boro's Albert Adomah *(below)* – who missed the crucial penalty at Anfield on Tuesday night – was guilty of another clanger after 10 minutes, while Kike headed off target soon after.

The game livened up after a series of challenges that woke up both set of fans, with Andre Bikey-Amaugou booed by Boro fans after clashing with Patrick Bamford.

The best chance of the game fell to Frederic Bulot on 78 minutes, when his effort hit the post.

Adomah was red-carded for a second booking on 81 minutes, while Lawrie Wilson and George Tucudean were denied by Boro keeper Dimi Konstantopoulos.

WHAT do Man United and Richard III have in common? They both got buried in Leicester.

After a promising start to last Sunday's match, United's defence fell down quicker than a glamour model's knickers around Mario Balotelli.

Louis van Gaal has said he is looking for his players to restore the fear factor.

Don't worry Louis, the last few times I've seen them play they've looked absolutely petrified.

Despite the millions spent on awesome forwards, United's season is going the way of many new iPhone 6s – bent.

Their back four is shakier than a Parkinson's sufferer in an earthquake.

And with Van Gaal's cavalier attitude to buying strikers, he seemed to forget that games are won with a defence too.

CLUELESS: Van Gaal

With the extent of the injury crisis in the back line, it won't be long before Wayne Rooney starts at centre-half.

He can't be any worse than the clowns they have now.

It seems the club is still finding it hard to adjust to not having Sir Alex at the helm.

It's like how I'm having to adjust to my girlfriend coming back from a two-week holiday in Ibiza.

I think she must have really missed me because since she got home she's wanted to try loads of new positions we've never done before.

Newly-promoted Burnley haven't adjusted to life back in the Premier League.

But I reckon they can get off the mark today with a win over fellow strugglers West Brom this afternoon at the Hawthorns.

LOW AND HIGH: Gutted Rooney trudges off when he saw red for a shocking foul after giving United the lead *(inset)*

Crashing fall for Pearson

C Palace	2
Leicester	0

NEIL WARNOCK secured his first home win since returning to Crystal Palace – and left Leicester boss Nigel Pearson with a huge hangover.

Pearson's side arrived at Selhurst Park still on a high after last Sunday's 5-3 victory over Manchester United.

But the Foxes found Palace a much tougher nut to crack and fell to second-half goals from Mile Jedinak and Fraizer Campbell.

Palace's impressive win at Everton last weekend had been overshadowed by Leicester's success against Louis van Gaal's team.

But that kick-started the Eagles' campaign and back-to-back wins have shot them up into the top half of the table.

The manner of their victory showed that the progress made under Tony Pulis last season has been maintained.

Leicester started brightly enough but were soon pushed back by Palace wingers Yannick Bolasie and Jason Puncheon.

The breakthrough came in the 51st minute when Scott Dann headed down from Puncheon's corner and Campbell flicked home from close range.

Three minutes later, Jedinak surged into the box to connect with Puncheon's free-kick.

Roo goes from goal hero to red card zero

By IAN WHITTELL

WAYNE ROONEY added to Louis van Gaal's Old Trafford headache with a red card rush of blood at Old Trafford.

With England boss Roy Hodgson watching from the stands, Rooney was shown a straight red by Lee Mason just before the hour.

The new United skipper, who had opened the scoring with a blinding finish, stopped a Hammers counter-attack with a cynical high hack at Stewart Downing's waist as he headed upfield.

Madness

United were already on a knife edge after Diafra Sakho had scored to drag the Hammers back into a game which United were bossing after goals from Roo and Robin van Persie.

And even though United hung on for a much-needed win, the controversy and fall-out from Rooney's moment of madness will only add to Van Gaal's early-season crisis.

The Reds raced into a 2-0 lead inside 22 minutes.

Rafael crossed for Rooney and a superb flick of his right boot steered the ball past Adrian from 12 yards.

It was a dream start for United, desperate to put the defensive horror show at Leicester behind them.

The second goal was down to West Ham's own defensive nightmare as keeper Adrian chased a loose ball to the corner flag.

His clearance barely reached halfway inside his own half, where Alex Song was robbed by Ander Herrera.

The Spaniard found Radamel Falcao, whose pass to Van Persie was perfect and allowed the Dutchman to beat Winston Reid and drive past Adrian's dive.

But United's back problems have been painfully obvious – and not just because of the injury crisis that forced Van Gaal to hand a debut to teenage Northern Ireland defender Paddy McNair.

Just after Rooney's opener, a poor Herrera back-pass fell straight to Enner Valencia who blazed over with the goal at his mercy.

United were also lucky to survive a penalty appeal when Falcao appeared to handle on 36 minutes.

And a minute later the Hammers were on the scoreboard when David de Gea flapped at Downing's corner.

The ball flew across goal, Valencia nodded against the bar and Sakho headed in the rebound from six yards.

The pressure might have eased on United after the restart when Falcao had his deflected 18-yarder kept out only by Adrian's spectacular reaching dive.

Rumble

But United were soon living dangerously again, with Sakho's far-post volley well saved by De Gea.

Rooney's red card rumble soon followed and Sakho headed into the side netting as the Hammers sniffed blood.

And United survived a major scare two minutes from time when Kevin Nolan turned in a cross from fellow sub Carl Jenkinson, only for the effort to be ruled offside.

ED BANGS GET CLANGER MANGA OFF THE HOOK

EDIN DZEKO scored twice to get cock-up defender Eliaquim Mangala out of jail.

Dzeko and Sergio Aguero put Man City 2-0 up in 11 minutes – but two clangers from £32million signing Mangala put Hull level.

The Frenchman scored an own goal and conceded a penalty for Abel Hernandez to equalise before half-time.

But City showed their class in the second half and Dzeko grabbed his second goal before sub Frank Lampard sealed the points at the death.

City's form in recent weeks has hardly been the stuff of champions.

Manuel Pellegrini's men romped to a 7-0 midweek Capital One Cup win over Sheffield Wednesday – and after 11 minutes in East Yorkshire it looked like a repeat performance was on the cards.

Sneaky

The Tigers were punished for failing to clear their lines.

Pablo Zabaleta beat Jake Livermore to win a header 15 yards out and Aguero volleyed across McGregor into the corner for his fourth goal of the season.

Four minutes later, it got even worse for Steve Bruce's boys.

David Silva's sneaky pass found Dzeko on the corner of the box. The Bosnian skipped away from Liam Rosenior and beat McGregor with a right-foot rocket.

But then Mangala got involved. First, the France defender sent a bullet header into his own net from Rosenior's cross to give Hull a lifeline.

Then he made a mess of a challenge on Hernandez as he chased Mo Diame's through-ball into the box.

The £10m Uruguayan stepped up to send Willy Caballero the wrong way from the spot for his second goal of the season.

Yaya Toure almost bagged a sensational goal to put City back in front.

His cracker from 30 yards had McGregor at full stretch but came back off the post.

Silva showed sublime skill to set up Dzeko for his second, before Lampard came off the bench to bag his fourth goal in three games.

RYAN AND PELLE KEEP SAINTS MARCHING ON

RYAN BERTRAND'S first goal for the club and Graziano Pelle's fourth of the season made it four Premier League wins in a row for Southampton.

But it was not the stroll the Saints were probably expecting against a QPR team winless on the road this season.

Harry Redknapp's side looked on course for a point after equalising with a stunner from Charlie Austin.

Saints fans were keen to remind QPR boss Redknapp that he is not their favourite ex-manager after taking them down in 2005 and leading bitter rivals Portsmouth to FA Cup glory in 2008.

And injury was added to insult as Sandro limped off after 11 minutes, the Brazilian appearing to feel the training injury he suffered in midweek while celebrating a goal.

QPR 1

Clever

Saints nearly took advantage. Steven Caulker deflected Dusan Tadic's volley onto the post and Rob Green dived full length to touch wide a shot by Pelle.

But QPR improved, denying the home side space and time on the ball, and it was not until 45 minutes were almost up that Morgan Schneiderlin had Southampton's next good chance, rolling his shot wide with only Green to beat.

Austin nearly made him pay, drifting a shot just wide in injury time.

But in the second half the goals flew in. First, a clever backheel by outstanding Saints debutant Sadio Mane released Bertrand to blast home his first goal for the club.

After Tadic and Mane had both gone close to a second, Austin levelled with a spectacular left-foot volley after he had controlled Eduardo Vargas' cross with his right.

But Saints stormed back upfield and Pelle's overhead kick from a nod-back by Tadic looped over Green and in.

Niko Kranjcar was denied an equaliser by an upright.

SPURFECT: Nacer Chadli gives Eric Lamela a hug after the opener

Ox in box to deny Tott smash and grab

ALEX OXLADE-CHAMBERLAIN rescued Arsenal from a rare derby day defeat.

Spurs were on course for only their second win at the home of the Gunners since 1993 when Nacer Chadli netted.

But Oxlade-Chamberlain was in the right place at the right time to grab a crucial equaliser.

Gunners boss Arsene Wenger gave Danny Welbeck the nod up front, but left £32million man Alexis Sanchez on the bench. There was an unfamiliar name in the Spurs line-up with a Premier League debut for midfielder Ryan Mason.

Oxlade-Chamberlain was booked early doors for clattering Etienne Capoue, before Welbeck shot straight at Spurs keeper Hugo Lloris.

Jack Wilshere was lucky to get just a yellow after his reckless challenge sent Mason flying and ex-Gunner Emmanuel Adebayor headed straight at Wojciech Szczesny from the free-kick.

It was feisty stuff and Erik Lamela was booked for upending Kieran Gibbs.

RELIEF: Oxlade-Chamberlain

Duff

Arsenal had to make a change when Mikel Arteta hobbled off to be replaced by Mathieu Flamini.

Per Mertesacker almost broke the deadlock with an own goal but Szczesny kept his header out.

Lloris then saved Oxlade-Chamberlain's shot, but a swift Spurs counter was ruined by Chadli's duff connection.

Tottenham were under the cosh straight away after the break and Lloris had to make a low save to deny Mesut Ozil. A rare reply saw Christian Eriksen fire in a free-kick that was saved – but then Spurs scored.

Flamini dawdled on the ball and was robbed by Eriksen, who fed Lamela.

He slipped Chadli in on the right of the box and the Belgian fired a cool right-foot finish into the far corner.

Arsenal thought they had equalised through Mertesacker's header, but Lloris made a great low stop to keep it out.

But the Gunners weren't to be denied and, when Spurs failed to clear a simple ball and Welbeck missed his kick, the Ox rammed home.

Arsenal threw all they had at their rivals but Spurs held out.

Paul Lambert's game plan was thrown out inside seven minutes as Oscar drew first blood. Willian's shot was blocked by Brad Guzan but the rebound fell kindly for the Brazilian to set up his countryman for a close-range finish.

It was a nightmare scenario for the Villa fans who still recall being routed 8-0 at Stamford Bridge two years ago. And it could have got worse in the 15th minute. Costa's clever flick freed Willian and his cross was deflected inches wide off Alan Hutton.

Jagielka exocet hands Toffees injury-time draw

Liverpool	1

PHIL JAGIELKA hit a late screamer to wreck Kop captain Steven Gerrard's perfect 10 in a frantic Merseyside derby.

Gerrard – in his 32nd match against Everton – thought he had given the Reds all three points with his 10th derby goal from a free-kick.

But Jagielka lashed in a long-range screamer in injury time to give his side a share of the spoils – although Everton are still without a win at Anfield since 1999.

Liverpool were without injured Daniel Sturridge, so Mario Balotelli led the line.

Last season this fixture produced two games for the football purist, but the early moments of this clash were a throwback to the blood and thunder Merseyside derby scraps of yesteryear.

Tackles flew in and there should have been penalties at both ends of the pitch as Romelu Lukaku went down after a shove from Alberto Moreno, then Raheem Sterling's shot struck the raised arm of Gareth Barry.

The Kop fumed at the injustice of Barry's blatant illegal block and Liverpool players surrounded ref Martin Atkinson, but the official could not be swayed.

Everton keeper Tim Howard, at fault for a pair of clangers in the recent 3-2 home defeat to Crystal Palace, then made two top-class saves to deny Liverpool.

First the American pushed Balotelli's free-kick around the post, and from the resulting corner he dived to his right to parry Adam Lallana's header.

Everton were dealt a blow when Kevin Mirallas pulled up clutching the back of his leg and was replaced by Aiden McGeady.

Fluff

The petty squabbles resurfaced in the early stages of the second half, although Sterling lifted a clever ball over the top of the Everton defence for Lazar Markovic, only for the Serb to fluff his chance.

Steven Naismith brought a smart save out of Simon Mignolet on the hour before the hosts drew first blood from a set-piece after Balotelli was fouled by Leighton Baines.

Gerrard's curling shot dipped over the Everton wall and, even though Howard got a glove on the ball, he couldn't stop it.

The Reds almost doubled their lead when Balotelli rattled the crossbar after he got on the end of Sterling's cross from the left.

Thge Italian then flashed a speculative effort at the target as Liverpool went in search of a second goal to kill off the contest.

But Everton got themselves back on level terms in injury time when Jagielka latched on to Dejan Lovren's clearance and saw his sweetly-struck half-volley fly past the dive of Mignolet.

The Kop breathed a sigh of relief when Barry's cheeky backheel from a late free-kick only rippled the side netting.

KICK IN THE BALLS: Gerrard celebrates putting his side in front *(above)* – but Rodgers is stunned by the late leveller

RED END: Angel Rangel

Chopper looming for Poy's blankers!

Sunderland	0
Swansea	0

GUS POYET is ready to carry out his threat to axe some of his misfiring big guns after Sunderland drew another blank.

There was fresh frustration for Poyet in his bid to guide the Black Cats to their first Premier League win of the season as they were held by 10-man Swansea.

Angel Rangel earned a second yellow for a needless bodycheck on Will Buckley with 10 minutes left, but the Swans held out comfortably enough to earn a point.

Sunderland had to settle for a fifth draw in six league games, Connor Wickham spurning their clearest opening inside the final 20 minutes when he headed Seb Larsson's inviting cross over the top.

Sub Steven Fletcher did the same soon after to ensure Sunderland have now gone more than three hours without a league goal.

Swansea were even less effective in front of goal, barely mustering a shot on target in the entire 90 minutes – Vito Mannone saving easily from Gylfi Sigurdsson's long-ranger after the break.

Pressure

Gary Monk's side were indebted to Lukasz Fabianski, who made three fine saves to help earn a point.

The former Arsenal keeper beat out an Adam Johnson shot before blocking at the feet of Buckley.

Fabianski dived full length to block a Santiago Vergini header on half-time and, although the hosts kept up the pressure after the break, they were unable to find a way through.

Wickham had a penalty shout turned down when he fell under Federico Fernandez's challenge.

It leaves Sunderland heading towards emulating their unwanted start to last season, when it took them nine games to register their first victory.

And Poyet is set to shake things up when they return to action at home to Stoke next week. Jack Rodwell and Adam Johnson are both under threat of the axe after being hauled off.

NOW A VILLA KILLER!

stab wide under pressure. That was a rare moment of panic for the Blues as Villa did their best to keep Chelsea at bay.

Jose Mourinho's men were largely restricted to long-range efforts in the opening quarter.

Once they finally got within range, Cesc Fabregas drove wide from the edge of the box on the half-hour mark.

Willian then crossed for Costa to force Guzan into a routine save from a tame header.

Villa were happy to sit and soak up pressure as everything was played in front of them.

But they finally broke out and threatened two minutes after the restart. Fabian Delph's quick feet gave him extra room and the new England midfielder curled a 25-yard shot the wrong side of the post.

There anxious faces when Nathan Baker headed onto the top of Thibaut Courtois's net. It was just the wake-up call Chelsea needed as Costa continued his hot streak in the 59th minute.

The Spain striker got a yard on Baker to power in a header from Cesar Azpilicueta's cross.

Unsurprisingly it was Chelsea who looked the more likely to increase their advantage. Oscar's free-kick saw John Terry head narrowly wide, but it was brief respite as Willian got the goal his display deserved.

Costa tormented the Villa defence again and, after his shot was beaten out by Guzan, the ball rebounded kindly for Willian to slot home in the 79th minute.

SMOOTH JAG: Phil Jagielka pats his Everton badge after crashing home a stunning leveller

PHIL JAGIELKA admitted that "the swinging worked" when he let rip from 25 yards to rescue Everton a point.

The England defender's stunning injury-time leveller cancelled out Steven Gerrard's 65th-minute free-kick.

Afterwards, Jagielka revealed that a couple of minutes before his goal he had the chance to shoot but elected to pass, and regretted it.

So he decided he would "have a swing" next time he got chance.

"The swinging worked!" he beamed. "Going into the last few minutes 1-0 down and getting a point is great.

"It's a decent result, but we'd have loved to win."

Gerrard said his England colleague's wonder strike got Everton out of jail.

"I think we deserved all three points," he said.

"With the chances we created over 90 minutes, we are disappointed not to win the game."

The Kop captain also had a dig at his critics, adding:

Liverpool	1
Everton	1

"It was nice to remind people I can still run."

Reds boss Brendan Rodgers blasted ref Martin Atkinson for failing to give an early penalty when Raheem Sterling's shot hit Gareth Barry's hand.

"Barry grabbed the ball with one arm!" he raged.

"He would have been sent off as he'd already been booked. Maybe that was in the referee's mind."
